Re: Approval of Lease Agreement between the City of El Paso and DLB Properties, JV. For 6044 Gateway East

Dear Mayor and Council,

On February 2, 2010 the Police Department's Internal Affairs Division submitted to Council for discussion and action an agenda item (3G) to approve a lease agreement between my client, DLB Properties, JV, and the City of El Paso. After discussion a motion was made to direct staff to include downtown properties in their evaluation and return to Council with a final recommendation.

We were very disappointed this action was taken considering Internal Affairs had evaluated many locations before concluding our site, located at 6044 Gateway East, was the best option financially and in design. The city's CARE Committee had also reached the same conclusion. The offices at 2211 E. Missouri which Internal Affairs has been leasing since September 6, 1991 were according to them "no longer sufficient in size for the unit and has various negative environmental issues that impact the employees and general public that come into the current office space".

Over ninety days have lapsed since Council directed staff to evaluate downtown locations. It is our understanding Internal Affairs has concluded their evaluation but have not yet presented to Council. My client, though, cannot afford to continue to wait and wishes for the city to make a decision. If our site is ultimately chosen we need to start remodeling in order to meet the agreement's September 1, 2010 commencement date. In addition, DLB Properties has refrained from leasing the entire eighth floor of our building, site of the proposed Internal Affairs offices, at our expense. Finally, should the Internal Affairs be further delayed in the approval of a new lease they could find themselves forced to extend their current lease another year in a space which is smaller, has multiple health concerns, and costs the tax payer's more.

As a real estate management company we are well aware of the current market conditions in the downtown area but all areas of El Paso are suffering as well. However, independent of the economic times, the City must look to maximize taxpayers' monies and approach rental of its real estate needs in a fair and equitable manner. We submit to you that our location at 6044 Gateway Blvd East has the following advantages:

- **CENTER OF TOWN:** The City's Planning Department identifies our location as now being the center of town. This means Internal Affairs employees and residents from throughout El Paso can easily reach our location.
- **FREE PARKING:** Our location has free on-site parking for the benefit of visitors and employees

6044 Gateway Blvd. East, Suite 900, El Paso, Texas 79905
Phone: 915-598-6606 Fax: 915-598-6815

- **BUS ACCESS:** Complaints to Internal Affairs are typically taken by phone and some by internet. Internal Affairs also regularly visit people making complaints in the privacy of homes. However, bus stops are found within one block from our location compared with two blocks at the Internal Affairs existing location. Finally, with the relocation of buses from San Jacinto Plaza bus stops are several blocks away from many downtown buildings.
- **MODERNIZED SPACE:** Compass Bank Bldg is newly painted with new tile, ceiling, and glass doors in entrance with enhanced 24/7 camera security in the entrance, each floors' hallway, and parking area. Elevators have new panels, tile, and ceiling. Parking lot will be resurfaced and re-stripped. First floor restaurant will be expanded to include outdoor seating.
- **CUSTOM BUILT TENANT IMPROVEMENTS:** In anticipation of approval of item (3G) under consent agenda of the February 2nd City Council meeting, the eighth floor had already undergone a complete demolition and relocation of the eighth floor tenants. In addition, Internal Affairs approved an office layout specific to their unique requirements (see attached). The custom design provided Internal Affairs with long term growth potential and operational efficiency.
- **BEST PRICE PER SQUARE FOOT:** Actual market rate of the building is considerably higher but the price has been reduced in consideration of a long term lease at a rate which is approximately twenty percent below market rate.
- **FUTURE EXPANSION:** Additional square footage can be leased in building with proper notice.
- **NO COST STORAGE AREA:** A secure space for storage of evidence and other materials is paramount to Internal Affairs. The lease agreement will include this space on the 10th floor at no cost.
- **TAXPAYER BENEFIT:** Internal Affairs, because of the sensitivity of the cases it handles and its mandate, demands it be separate from EPPD. The community benefits from an autonomous division and the taxpayer benefits by paying less per square foot by not having it downtown.

For these reasons, we respectfully request that you add an item to the May 25th Council agenda identical to the one placed February 2nd including its original attachment (see enclosed). Specifically:

That the City Manager be authorized to sign a lease agreement between DLB Properties JV ("Landlord") and the City of El Paso("Tenant") regarding the El Paso Police Department Internal Affairs Division's rental of office space in the Compass Bank Building located at 6044 Gateway Blvd East, El Paso, Texas for a term of 10 years. (All Districts)

Thank you for your prompt attention to this matter and we look forward to meeting with you to answer any questions you may have regarding any of the above.

Best Regards,

Joseph Watson
Property Manager

BACKGROUND / DISCUSSION:

any remedy available under this Lease or by law despite such forbearance or indulgence. The waiver by Landlord of any breach or term, covenant or condition hereof shall apply to and be limited to the specific instance involved and shall not be deemed to apply to any other instance or to any subsequent breach of the same or any other term covenant or condition hereof.
