Alisa Jorgensen Bio

Alisa Jorgensen spent 11 years with AT&T Bell Laboratories in research and development. There she helped design telecommunications equipment, conducted research into quality best practices, and performed management consulting. Alisa helped AT&T executives plan, develop and implement programs to improve operations' quality and business performance. These efforts resulted in substantial cost reductions, improved efficiency and increased productivity. In addition, she consulted to 3 businesses that became Malcolm Baldrige National Quality Award Winners.

Alisa received Bachelors degrees in Mathematics and Systems Engineering from Boston University and her Masters Degree in Operations Research from Columbia University. She is a member of Save the Valley and Upper Valley Neighborhood Associations. In addition, she served on the Open Space Advisory Group. Currently, Alisa is the Co-Chair of the International Boundary and Water Commission (IBWC) Rio Grande Citizens' Forum.
