RENEWAL TERMS

Medtronic Emergency Response Systems, Inc.'s ("Medtronic") acceptance of Customer's Technical Service Support Agreement is expressly conditioned on Customer's assent to the terms set forth in this document and its attachments. Medtronic agrees to furnish the services ordered by Customer only on these terms, and Customer's acceptance of any portion of the goods and services covered by this document shall confirm their acceptance by Customer. These terms constitute the complete agreement between the parties and they shall govern any conflicting or ambiguous terms on Customer's purchase order or on other documents submitted to Medtronic by Customer. These terms may not be revised in any manner without the prior written consent of an officer of Medtronic.

REPAIR SERVICES

If "Repair" services are designated, subject to the Exclusions identified below, they shall include, for the designated Covered Equipment, all repair parts and materials required, all required Medtronic service technician labor, and all related travel expenses. For offsite (ship-in) services, units will be returned to Customer by Medtronic freight prepaid.

If "Inspection" services are designated, subject to the Exclusions identified below, they shall include, for the designated Covered Equipment, verification of proper instrument calibration, verification that instrument mechanical operations and output measurements are consistent with applicable product specifications, performance of an electrical safety check in accordance with National Fire and Protection Guidelines, all required Medtronic service technician labor and all related travel expenses. For offsite (ship-in) services, units will be returned to Customer by Medtronic freight prepaid.

DOCUMENTATION

Following each Repair and/or Inspection, Medtronic will provide Customer with a written report of actions taken or recommended and identification of any materials replaced or recommended for replacement.

LOANERS

If a Medtronic product is designated as a unit of Covered Equipment for Repair Services and needs to be removed from service to complete repairs, an appropriate Loaner unit will be provided, if available, until the removed unit is returned. Customer assumes complete responsibility for the Loaner and shall return the Loaner to Medtronic in the same condition as received, at Customer's expense, upon the earlier of the return of the removed unit or Medtronic's request.

EXCLUSIONS

This Technical Service Support Agreement does not include: supply or repair of accessories or disposables (e.g., patient cables, recorder paper, etc.); repair of damage caused by misuse, abuse, abnormal operating conditions, operator errors, and/or acts of God; repairs to return an instrument to normal operating equipment at the time of initial service by Medtronic under this Technical Service Support Agreement; case changes; repair or replacement of items not originally distributed or installed by Medtronic; and exclusions on Schedule B to this Technical Service Support Agreement, if any, which apply to Covered Equipment.

Customer is to ensure Covered Equipment is available for Repair and/or Inspection at scheduled times. If Covered Equipment is not available as scheduled and Customer requests additional services to be performed or if Medtronic is requested to perform Repair or Inspection services not designated in this Technical Service Support Agreement (due to the nature of services selected, instruments involved not being Covered Equipment, request being outside of designated service frequency or hours, or application of the Exclusions); Customer shall reimburse Medtronic at Medtronic's standard labor rates less 10% (including overtime, if appropriate), plus standard list prices for related parts and materials less 15%, plus actual travel costs incurred.

Customer's sole remedy shall be reservicing the affected unit and/or replacement of any part determined to be defective, without any additional Customer charge, provided Customer notifies Medtronic of any allegedly defective condition within ten (10) calendar days of its discovery by Customer. Medtronic makes no other warranties, express or implied, including, without limitation, NO WARRANTY OF MERCHANTABILITY OF FITNESS FOR A PARTICULAR PURPOSE, AND IN NO EVENT SHALL MEDTRONIC BE LIABLE FOR INCIDENTAL, CONSEQUENTIAL, SPECIAL, OR OTHER DAMAGES.

TERMINATION

Either party may terminate this Technical Service Support Agreement at any time upon sixty (60) days prior written notice to the other, except that Medtronic may terminate this Technical Service Support Agreement immediately upon Customer's failure to make timely payments for services rendered under this Technical Service Support Agreement. In the event of termination, Customer shall be obligated to reimburse Medtronic for that portion of the designated price which corresponds to that portion of the Term and the scope of Services provided prior to the effective date of termination.

DELAYS

Any such delay shall not be considered a breach of Medtronic's obligations and the performance dates shall be extended for the length of such delay.

MISCELLANEOUS

- a) Customer agrees to not employ or offer employment to anyone performing Services on Medtronic's behalf during the Term of this Technical Service Support Agreement or for one (1) year following its expiration without Medtronic's prior written consent.
- b) This Technical Service Support Agreement, and any related obligation of other party, may not be assigned in whole or in part without the prior written consent of the other party.
