RE: Recommendation for Award Police Uniforms #2010-006

The above solicitation is a best value solicitation. After a review of the bids submitted, the recommendation for award is to Uniforms of Texas for the individual items as listed below. Uniforms of Texas was the only responsive bidder meeting all specifications. Uniforms of Texas submitted three bids. Items from Uniforms of Texas' primary bid and Alternate # 1 were considered for award as the third bid (Alternate # 2) did not have any samples available to evaluate. In addition, Uniforms of Texas' Alternate # 2 offered a limited number of items and the prices were considerably higher than the first two of this company's bids.

As selection of items were from the sole responsive vendor, Price, Reputation and Quality of Bidders Services and Past Relationship with the City were not relevant criteria with which to determine the best value of particular items. Comfort Level (15%) and Design Recommendations (10%) were the criteria used in order to determine the best value of the few items where the low bid was not selected.
