

CITY OF EL PASO, TEXAS
REQUEST FOR COUNCIL ACTION (RCA)

DEPARTMENT: Engineering

AGENDA DATE: June 16, 2009

CONTACT PERSON/PHONE: R. Alan Shubert, P.E., City Engineer (541-4423)

DISTRICT(S) AFFECTED: 3 & 7

SUBJECT:

Bid 2009-201, Knights Drive Landscape and Irrigation

BACKGROUND / DISCUSSION:

We have reviewed the above reference subject bid and we recommend that the contract be awarded to **J.A.R. Concrete, Inc. dba JAR Construction, Inc.**, as the lowest, most responsible bidder meeting specifications. Total estimated contract award of **\$1,028,416.17**.

As part of the reprogramming, the City Council approved the project to landscape Knights Drive from Midway to Maricela. The existing condition is a raised median with bare soils. The scope of work includes the installation of new landscaping, decorative concrete, irrigation system, ADA ramps, crosswalks, and street lighting. The project also includes the construction of a new traffic circle at the intersection of Knights Drive and Jersey as part of the Neighborhood Traffic Calming Program. This is a low bid unit priced contract. The lowest bid was received from JAR Construction.

It is requested that the City Manager of the City of El Paso be authorized to sign any contracts or other documents required to effectuate this award.

Work under this unit price contract is only an estimated value and will be ordered, performed, invoiced, and paid by measured quantity. The actual cost of this contract may be higher or lower than the total estimated value and will be the sum total of unit prices at the end of the contract term.

As a part of this award, upon the review of the City Attorney, the City Engineer may without further authorization from City Council approve contract changes which are necessary for proper execution of the work and carrying out the intent of the project, which are in accordance with applicable law, do not make changes to the prices and are within the appropriate budget.

This is a low bid, unit-price contract. The Engineering Department recommends award as indicated to the lowest responsible bidder.

Scope of Work

KNIGHTS DRIVE LANDSCAPE AND IRRIGATION
Solicitation No. 2009-201

Knights Median Landscape Improvements is a street improvement project located in the Lower Valley of the city (see location map). The project currently consists of bare soil with no plants growing within the limits of the project. The work required for Knights Median Landscape Improvements shall consist of the following items to be installed on Knights Drive:

- 1) Installation ADA ramps and crosswalks at street intersections and school zone.
- 2) Removal of existing soil in medians as needed to place all median improvements.
- 3) Removal of existing residential driveways and relocate the driveways as shown.
- 4) Removal of existing rock wall, wrought iron fence and gates, relocate them as shown.
- 5) Installation of new water meters by El Paso Water Utilities and paid for by the general contractor.
- 6) Installation of new backflow devices and metal enclosures.
- 7) Placement of decorative concrete at the bull noses of each median.
- 8) Installation of bollards.
- 9) Installation of a traffic circle.
- 10) Installation of a new drip irrigation system.
- 11) Installation of new landscape plants, boulders, weed cloth and rock mulches.
- 12) Placement of stamped and colored concrete around traffic circle.
- 13) Repairing of broken street curbing by removing the existing sections and pouring new curb and gutter.
- 14) Boring under streets for lighting and irrigation lines to access medians.
- 15) Installation of new street lighting.
- 16) Installation of one electrical service and concrete pole.
- 17) Installation of flagstone face and cap to cover the stem wall in the center of traffic circle.
- 18) Installation of one electric transformer by El Paso Electric Company paid for by the City of El Paso.

Contractor shall refer to General Notes, Drawings, Specifications, Pictures and Standard Detail sections of this project, for detailed information and procedures to perform the work of each of the above-mentioned items.

This is a unit price requirements contract with the City of El Paso.
