MEMORANDUM

DATE: May 23, 2008
TO: The Honorable Mayor and City Council
Joyce A. Wilson, City Manager
FROM: Arturo Rubio, Planner
SUBJECT: ZON07-00013

The City Plan Commission (CPC), on May 22, 2008, voted **7-0** to recommend **APPROVAL** of rezoning the subject property from C-1/sc (Commercial/special contract) to C-4/sc (Commercial/special contract).

The CPC found that this rezoning is in conformance with The Plan for El Paso and the proposed use is in conformance with the Year 2025 Projected General Land Use Map. The CPC also determined that this rezoning protects the best interest, health, safety and welfare of the public in general; that the proposed use is compatible with adjacent land uses; and the rezoning will have no effect on the natural environment, social economic conditions, and property values in the vicinity and the city as a whole.

There was no opposition to this request.

General Information:

The applicant is requesting a rezoning from C-1/sc (Commercial/special contract) to C-4/sc (Commercial/special contract). The property is subject to conditions placed by a special contract imposed by Ordinance No. 623 dated May 16, 1978.

The conditions include:

1. No certificates of occupancy and compliance shall be issued by the City for any building constructed on the property until First Parties have, at no cost to the City, constructed concrete sidewalks along all boundaries of the property where such building is located which are adjacent to public streets.
2. Such sidewalks shall be installed in accordance with plans and specifications to be approved by the City Engineer of the City of El Paso and the City Engineer must certify that such sidewalks have been satisfactorily completed before certificates of occupancy and compliance shall be issued.

No release of conditions is proposed. The property is 2 acres in size and is currently used as a plant nursery. Access is proposed via Pellicano Drive.

Staff Recommendation:

The Development Coordinating Committee (DCC) recommends **Approval** of this request for rezoning from C-1/sc (Commercial/special contract) to C-4/sc (Commercial/special contract).

The recommendation is based on the following:

- **The Plan for El Paso** City-Wide Land Use Goals recommends that El Paso “provide designated locations for commercial development that do not adversely affect the health, safety and welfare of the community and where essential infrastructure is available to serve the development.”

The Plan for El Paso East Planning area includes four study areas that encourage mixed use, infill development and industrial land use. The study areas include: 1) Loop 375 corridor south of Zaragoza Road, 2) Loop 375 Corridor north of Zaragoza Road, 3) The frontage along the south side of Montana Avenue from Airway Boulevard to Loop 375 and 4) The area surrounding the existing Robert E. Lee Industrial Park on north side of Edgemere Boulevard., east of George Dieter Drive.

- **The Year 2025 Projected General Land Use Map** for the East Planning Area designates this property for **Industrial land** uses.
- **C-4/sc** permits commercial development and **is compatible** with adjacent Industrial and commercial uses.

Findings:

The Commission must determine the following:

1. Will the zoning protect the best interest, health, safety and welfare of the public in general?
2. Will commercial development be compatible with adjacent residential land uses?
3. What is the relation of the proposed change to the city’s Comprehensive Plan?
4. What effect will the rezoning have upon the natural environment social and economic conditions and property values in the vicinity and in the City as a whole?
