# CITY OF EL PASO ANNEXATION SERVICE PLAN

## INTRODUCTION

This Service Plan (Plan) is made by the City of El Paso, Texas (City) pursuant to Chapter 43 of the Texas Local Government Code. This Plan is made specifically for a 599.98-acre property located in the City's East Extraterritorial Jurisdiction (ETJ). The area includes all of Tract 1B, Section 26, Tract 11C2, Section 34, Tract 4, Section 35, and a portion of Section 27, Block 79, Township 2, Texas and Pacific Railway Company Surveys, El Paso County, Texas. The area is more specifically described by metes and bounds in Exhibit "A" which is attached to the annexation ordinance for which this Plan is a part.

## EFFECTIVE TERM

This Plan shall be in effect for a ten-year period commencing on the effective date of the annexation, unless otherwise stated in this Plan. Renewal of the Plan shall be at the option of the City. Such option may be exercised by the adoption of an ordinance by the City Council which refers to this Plan and specifically renews this Plan for a stated period of time.

## INTENT

It is the intent of the City of El Paso that services under this Plan shall provide full municipal services in accordance with State law and the Development Agreement entered into by the property owners and the City on February 21, 2006, recorded in the Real Property Records of the County of El Paso, Document Number 20060022000; and in case of conflict as allowed by law the terms of the Development Agreement shall control.

The City reserves the right guaranteed to it by Section 43.056(h) Texas Local Government Code, to amend this Plan if the City Council determines that changed conditions or subsequent occurrence or any other legally sufficient circumstances exist under the Local Government Code, or other Texas laws to make this Plan unworkable or obsolete or unlawful.

## SERVICE COMPONENTS

This Plan includes three service components: (1) Immediate Services Program, (2) Additional Services, and (3) a Capital Improvement Program.

As used in this Plan, providing services includes having services provided by any method or means by which the City extends municipal services to any other area of the City. This may include causing or allowing private utilities; governmental entities and other public service organizations to provide such services by contract, in whole or in part. It may also include separate agreements with associations or similar entities.

### 1. Immediate Services Program

The following services will be provided in the annexation area immediately upon the effective date of the annexation, unless otherwise noted.

- a. Police Protection. The El Paso Police Department will provide protection and law enforcement services in the annexation area on the effective date of annexation. These services include:

1  
EXHIBIT 'B'

- normal patrols and responses;
  - handling of complaints and incident reports;
  - special units, such as, traffic enforcement, criminal investigations, narcotics, gang suppressions, and special weapons and tactics team.
- b. Fire Protection. The El Paso Fire Department will provide emergency and fire prevention services in the annexation area, on the effective date of annexation. These services include:
- fire suppression and rescue;
  - emergency medical services;
  - hazardous materials mitigation and regulation;
  - emergency prevention and public education efforts;
  - construction plan review;
  - inspections.
- c. Solid Waste Collection. The El Paso Solid Waste Management Department will provide solid waste collection services in the annexation area on the effective date of annexation. Services currently provided in the City for single-family residences include:
- garbage collection - once a week in accordance with established policies of the City;
  - dead animal collection - dead animals are removed from roadways upon request.
- Commercial garbage collection service for businesses, multi-family residences, and mobile home parks is available on a subscription basis from the City or private service providers.
- d. Maintenance of Water and Wastewater Facilities. The City's Public Service Board/El Paso Water Utilities (EPWU) will maintain water and wastewater facilities in the annexed area that are not within the service area of another water or wastewater utility and as governed by their Rules and Regulations.
- e. Maintenance of Roads and Streets, Including Street Lighting. The City's Public Works Department will maintain public streets over which the City has jurisdiction. These services include:
- emergency pavement repair;
  - ice and snow monitoring of major thoroughfares
  - repair maintenance of public streets on as-needed basis and in accordance with established policies of the City.
- f. Maintenance of Parks, Playgrounds, and Swimming Pools. There are no public recreation facilities in the annexation area but the City will provide maintenance of such facilities as they become available.

## **2. Additional Services**

Certain services, in addition to the above services, will be provided within the annexation area. They are as follows:

- a. Drainage Services. The City's Street Department will provide drainage maintenance in the annexation area in accordance with established policies of the City. Services include:
  - maintenance of existing public ponding areas and retention dams;
  - storm sewer maintenance;
  - watershed development review and inspection;
  - emergency spills and pollution complaints response;
  - flood plain office (information relating to flood plains).
- b. Library Department. All library services now provided to areas inside the City will be provided to the annexed area on the effective date of annexation in accordance with the City's existing policies and regulations.
- c. Development Services Department. All inspection services now provided within the City, including building, electrical, plumbing, gas, engineering, housing, and environmental will be extended to the annexed area on the effective date of annexation.
- d. City-County Health Department. All of the City-County Health services codes and regulations will be extended to the annexed area on the effective date of annexation
- e. Planning and Zoning. The planning and zoning jurisdiction of the City will be extended to the annexed area on the effective date of annexation. All land annexed shall be classified in the R-3 zoning district pending a public hearing by the City Plan Commission on the appropriate zoning classification and action by the City Council. Such hearing shall be held within sixty days after the effective date of annexation and such action shall be taken by the City Council within thirty days after the last adjournment of the public hearing.
- f. Other Services. All other City Departments with jurisdiction in the area will provide services according to established City policies and procedures.

### **3. Capital Improvements Program**

The City will initiate the construction of capital improvements necessary for providing municipal services for the annexation area as necessary. Any such construction or acquisition shall begin within two years of the effective date of the annexation and shall be substantially completed within 4 1/2 years after that date. Construction of any capital improvement within the annexation area will be done accordance with the established policies of the City.

- a. Police Protection. No capital improvements are necessary at this time to provide Police services but may be necessary in the future.
- b. Fire Protection. No capital improvements are necessary at this time to provide Fire services but may be necessary in the future.
- c. Solid Waste Collection. No capital improvements are necessary at this time to provide collection services but may be necessary in the future.

- d. Water and Wastewater Facilities. Water and wastewater service will be provided in accordance with the El Paso Water Utility's Rules and Regulations. Capital improvements will be initiated pursuant to the facilities plan for the annexed area.

Water and Wastewater services to new subdivisions will be provided according to the standard policies and procedures of the El Paso Water Utilities, which may require the developer of a new subdivision to install water and wastewater utility lines. The extension of water and sewer service will be provided in accordance with the adopted Rules and Regulations of the El Paso Water Utilities.

- e. Roads and Streets. No road or street related capital improvements are necessary at this time but may be necessary in the future. In general, the City will acquire control and jurisdiction of all public roads and public streets within the annexation area upon annexation. Future extensions of roads or streets and future installation of related facilities, such as traffic control devices, will be governed by the City's standard policies and procedures.
- f. Parks, Playgrounds and Swimming Pools. No capital improvements are necessary at this time to provide services but may be necessary in the future.
- g. Drainage Facilities. No capital improvements are necessary at this time to provide services but may be necessary in the future.
- h. Street Lighting. It is anticipated that the developer of new subdivisions in the area will install public street lighting in accordance with the City's standard policies and procedures. In other cases, the City will install public street lighting in the annexation area upon request in accordance with established street lighting policies of the City.
- i. Other Publicly Owned Facilities, Building or Services: In general, other City functions and services, and the additional services described above can be provided for the annexation area by using existing capital improvements. Additional capital improvements are not necessary to provide City services.
- j. Capital Improvement Planning. The annexation area will be included with other territory in connection with planning for new or expanded facilities, functions, and services in accordance with established policies of the City.

## **AMENDMENT: GOVERNING LAW**

This Plan may not be amended or repealed except as provided by the Texas Local Government Code or other controlling law. Neither changes in the methods or means of implementing any part of the service programs nor changes in the responsibilities of the various departments of the City shall constitute amendments to this Plan, and the City reserves the right to make such changes. This Plan is subject to and shall be interpreted in accordance with the Constitution and laws of the United States of America and the State of Texas, the Texas Local Government Code, and the orders, rules regulations of governmental bodies and officers having jurisdiction.

## **FORCE MAJEURE**

In case of an emergency, such as force majeure as that term is defined in this Plan, in which the City is forced to temporarily divert its personnel and resources away from the annexation area for humanitarian purposes or protection of the general public, the City obligates itself to take all reasonable measures to restore services to the annexation area of the level described in this Plan as soon as possible. Force Majeure shall include, but not be limited to, acts of God, acts of the

public enemy, war, blockages, insurrection, riots, epidemics, landslides, lightning, earthquakes, fires, storms, floods, washouts, droughts, tornadoes, hurricanes, arrest and restraint of government, explosions, collisions, and other inability of the City, whether similar to those enumerated or otherwise, which is not within the control of the City. Unavailability or shortage of funds shall not constitute Force Majeure.

**RECOMMENDATIONS:**

The Development Coordinating Committee (DCC) on April 19, 2006 recommended approval of annexing the East Montana Joint Venture, Viramontes and Wholesale Lumber property.

The DCC's recommendation was made subject to the following conditions and considerations:

1. That the East Montana Joint Venture, Viramontes and Wholesale Lumber annexation be subject to the agreement entered into by the owner and the City of El Paso on February 21, 2006.
2. That the Service Plan be approved as part of the ordinance approving annexation of the subject property.

The DCC's recommendation for approval of annexation was based on the overall long-term benefits to the City versus the short-term impacts. The DCC felt that the City should weigh growth management and extension of regulatory authority in these areas to protect the

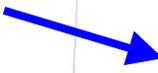

public, health and safety in addition to the costs of extending municipal services. An annexation cost/benefit analysis was conducted that determined that the benefits of annexation outweighed the costs to accomplish the following:

- ensure proper land use relationships with high standards of construction through zoning and building codes;
- avert costly future problems for the City after development takes place (assuming maintenance responsibilities for substandard infrastructure);
- protect the City's growth ability in the East ETJ (limiting the creation of other special districts (water districts and municipal utility districts, and satellite incorporated communities which could impede future annexations by the City;
- implement the long range goals of the City's Comprehensive Plan; and,
- require applicants to share in the City's hard and soft infrastructure costs to serve the property (not otherwise allowed under the Impact Fee Statute for properties within the City Limits for off-site systems).

Finally, it was determined that the costs to the City and its taxpayers would be substantially higher if annexation was delayed and development of these areas proceeded without governmental control.
