TO: The Honorable Mayor and City Council
Joyce A. Wilson, City Manager

FROM: Andrew Salloum, Planner

SUBJECT: PZRZ11-00009

The City Plan Commission (CPC), on June 2, 2011, voted 5-1 to recommend **approval** of rezoning the subject property from R-3 (Residential) to A-O (Apartment-Office) and imposing a condition that an 8' foot rock wall shall be placed adjacent to the south of the property or adjacent to any residential zone or use.

APPLICATION DESCRIPTION

The applicant is requesting to rezone the property from R-3 (Residential) to A-O (Apartment-Office) to allow for a self-storage facility. The proposed access is from Turner Road and Pendleton Road.

PLANNING DIVISION RECOMMENDATION

The Planning Division recommends **approval** of rezoning the subject property from R-3 (Residential) to A-O (Apartment-Office). The rezoning request is compatible to the 2025 Projected Land Use Map and the surrounding land uses.

The Plan for El Paso-City-Wide Land Use Goals

All applications for rezoning shall demonstrate compliance with the following criteria:

- a. Goal: provide a pattern of commercial and office development which best serves community needs and which complements and serves all other land uses.
- b. Goal: preserve, protect, and enhance the integrity, economic vitality and livability of the city's neighborhoods.
- c. Goal: encourage the provision of neighborhood commercial services which are compatible with a neighborhood's residential character.

The purpose of the A-O (Apartment-Office) district is to promote and preserve residential development within the city associated with a landscape more urban in appearance and permitting a mixture of housing types. It is intended that the district regulations allow for medium densities of dwelling units supported by higher intensity land uses located at the periphery of single-family neighborhoods providing that the overall character and architectural integrity of the neighborhood is preserved. The regulations of the districts will permit building types designed for transition from areas of low density residential neighborhoods to other residential areas, and certain nonresidential uses and support facilities.

Dear City Plan Commission

Case No: PZRZ11-00009 (Rezoring)

Date May 31, 2011

I am a resident on 111489 Ghost Dance Circle as to where the Rezoring would take place. I am AGAINST this because this would devalue our residential property. Also, there is lots of noise for when the towing facility goes in and out all hours of the night. I DO need a good night sleep this would be impossible if the self storage facility would be considered. There is lots of area located on Lee Street that is deemed Commercial Property. When this property was zoned it was already around houses, why would we as residents want to have more traffic and noise level go on in out neighborhood. There are also actions going on Saturday and when this happens the parking around and ageing streets are filled will lots of cars. This becomes dangerous when going in and out of our street. Please DO NOT change the area to commercial. I am just one of the resident that would like more affordable housing be build in this area.

Sincerely

Maria T Rocha

CASE NO. PZRZ11-00009

We, the undersigned, are writing this letter to let you know that we are **against** the City Plan Commission to grant permission to:

DOMINGUEZ PROPERTIES, LTD
11400 TURNER ROAD to change the zoning from R-3 to A-O.

These are some of the reasons why we are against it:

1. Our property value will go down considerably.
2. The traffic on our streets will increase.
3. Our children will be in danger due to this increase in traffic.
4. Our neighborhood will become more of an eyesore. As it is, we can already see all these wrecked, junked cars as we drive around the neighborhood. We also see the big tow-trucks driving at high speeds, and the engine idling for long periods of time, sending fumes into our air, and our homes.

Please take all this information into consideration and deny this permission to change from R-3 residential to A-O (apartment) office-self-storage facilities to said property.

Thank you very much for your time and consideration to this matter.
