MEMORANDUM

DATE: June 2, 2008

TO: The Honorable Mayor and City Council
Joyce A. Wilson, City Manager

FROM: Arturo Rubio, Planner

SUBJECT: **ZON08-00017**

The City Plan Commission (CPC), on June 19, 2008, voted **6-0** to recommend **APPROVAL** of rezoning the subject property as follows, Parcel 1: From M-3 (Unrestricted Manufacturing) to C-3 (Commercial), Parcel 2; From R-3 (Residential), A-2 (Apartment) and M-1 (Light Manufacturing) to C-3 (Commercial), Parcel 3: From R-3 (Residential) and A-2 (Apartment) to R-3A (Residential) and Parcel 4: From M-1 (Light Manufacturing), R-3 (Residential) and A-2 (Apartment) with conditions on parcels 1 and 2.

The CPC found that this rezoning is in conformance with The Plan for El Paso and the proposed use is in conformance with the Year 2025 Projected General Land Use Map. The CPC also determined that this rezoning protects the best interest, health, safety and welfare of the public in general; that the proposed use is compatible with adjacent land uses; and the rezoning will have no effect on the natural environment, social economic conditions, and property values in the vicinity and the city as a whole.

The rezoning request was approved by the CPC on May 22, 2008 and submitted for reconsideration on June 19, 2008. The Rezoning case was submitted for reconsideration to correct an error on the existing zoning districts on subject property advertised on the original CPC agenda and public notice.

There were two calls and one letter in opposition.

Year 2025 Designation: **Residential/Commercial/Industrial** (North West Planning Area)

General Information:

The property is a total of 106.19 acres and is currently vacant. There are no existing conditions on properties. Access is proposed via New Orleans Drive and Suncrest Drive and commercial access through proposed collector arterial Monte Casino.

Staff Recommendation:

The Development Coordinating Committee (DCC) recommends **Approval** of this request with conditions on parcels 1 and 2, proposed C-3.

1. That the following uses be restricted:
 1. Recreational Vehicle Park
 2. Contractor's Yard
 3. Bus Sales, Service, Storage, and Rental

5. That a 10 foot landscape buffer with evergreen trees 15 foot on center with a 2 inch caliper be required abutting Interstate Highway 10 excluding open space areas. This requirement shall be in addition to the landscape requirements of the City Code.

The recommendation is based on the following:

- **The Plan for El Paso** City-Wide Land Use Goals recommends that El Paso "Provide a wide range of housing types that respond to the needs of all economic segments of the community."
- **The Plan for El Paso** City-Wide Land Use Goals recommends that El Paso "provide designated locations for commercial development that do not adversely affect the health, safety and welfare of the community and where essential infrastructure is available to serve the development."
- **The Year 2025 Projected General Land Use Map** for the **North West Planning Area** designates this property for **Residential, Commercial and Industrial** land uses.

- **C-3, R-5 and R-3A** zoning districts permit commercial and residential development and **are compatible** with adjacent residential and manufacturing districts.

Findings:

The Commission must determine the following:

1. Will the zoning protect the best interest, health, safety and welfare of the public in general?
2. Will commercial and residential development be compatible with adjacent residential and manufacturing land uses?
3. What is the relation of the proposed change to the city's Comprehensive Plan?
