Marcia Turner

Professional

Owned and operated a Travel Wholesale business in El Paso for 25 years.

Managed a local staff of 8-15 people, as well as an extended staff in cities throughout Mexico.

The company, The Mexico Connection, was a provider for retail travel agents in the United States. Its purpose was to supply the travel agent's client with the best hotel accommodations and airfare available from the United States to Mexico, and assure the client of a safe and "worry free" vacation. Additionally, large corporate clients contracted The Mexico Connection to hire charter flights and arrange hotel conventions for executives and employees

Our success was directly attributed to the dedication of the local staff, as well as the extended staff in Mexico. We maintained an honest and professional relationship with quality hotels and airlines, and while doing so were able provide our clients with excellent service.

Retired in 2003.
