Lessee shall keep the Demised Premises neat, clean and free from dirt or rubbish at all times, and shall store all trash and garbage within the premises, arranging for the regular pick-up of such trash and garbage at Lessee's expense.

6. **MAINTENANCE AND REPAIRS.** Lessor shall keep the foundation, the exterior walls, the roof, heating, cooling, ventilation, plumbing and sewer systems, including plate glass; exterior windows, and doors and door closure devices of the Demised

Premises in good and effective repair. Lessor shall be responsible to repair and/or replace, at its sole cost and expense, any building component requiring said repair and replacement resulting from normal wear and tear, including all utility repairs relating to those items or systems which Lessor has a duty to maintain and repair. Lessor agrees that Lessee shall have the option to conduct background checks on the custodial and security guard contractor it proposes to provide for the Demised Premises. Lessor agrees that any negative results from the background checks shall warrant the rejection of proposed contractors.

In the event that the Demised Premises should become in need of repairs required to be made by Lessor hereunder, Lessee will give immediate notice in writing thereof to Lessor. Lessor agrees that, unless the repairs are an emergency or essential to the health and safety of Lessee, its agents, personnel or guests or which are essential to Lessee's use and occupancy of the Demised Premises, the repairs will begin within 2 weeks after notice. Immediately after receipt of such notice Lessor will have the System repaired.

- 7. ALTERATIONS.** Lessee will not make any alteration, additions or improvements to the structure of the building which is a part of the Demised Premises without the prior written consent of Lessor, except for the installation of unattached, movable fixtures which may be installed without drilling, cutting or otherwise defacing the premises, and Lessor will not unreasonably withhold its consent if the structural soundness of the building is not impaired thereby, the value of the Demised Premises is not lessened, and the character of the building and remainder of the Demised Premises is not adversely affected thereby. Lessee may, without Lessor's consent, make non-structural changes and improvements, but Lessee will promptly notify Lessor of each such major change, alteration, addition or improvement. Lessee may, without Lessor's consent, install and store machinery, equipment, fixtures, supplies and the like which are necessary or appropriate for Lessee's permitted uses of the Demised Premises as

described above. All alterations, additions, improvements and fixtures, other than unattached, movable fixtures which may be made or installed by either Lessor or Lessee upon the Demised Premises, shall remain upon and be surrendered with the premises and become the property of Lessor at the termination of this lease, unless Lessee desires and requests their removal in which event Lessee will remove the same and restore the premises to their original condition (excepting normal wear and tear) at Lessee's expense.

8. **LESSOR'S RIGHT OF ACCESS.** Lessor shall have the right to enter upon the Demised Premises as arranged with and accompanied by Lessee's representatives during normal business hours or for the purpose of inspecting the same, or of making repairs to the Demised Premises, or of making repairs, alterations or additions to adjacent premises.
9. **NON-LIABILITY FOR CERTAIN DAMAGES.** Lessor agrees to accept responsibility to Lessee and its employees, agents, and invitees for any injury to person or damage to property where such injury or damage results in whole or in part due to Lessor's failure to make required repairs or maintain those items which are Lessor's responsibility to repair and maintain as set forth in this lease. Lessor accepts responsibility only for any loss or damage that may be occasioned by or through the acts or omissions of any its authorized employees and agents.
10. **DAMAGE BY CASUALTY.** Lessee will give immediate written notice to Lessor of any damage caused to the Demised Premises or any part thereof by fire or other casualty. In the event that the Demised Premises shall be damaged or destroyed by fire or other casualty insurable under standard fire and extended coverage insurance and Lessor does not elect to terminate this lease as hereinafter provided, Lessor shall proceed with reasonable diligence and at its sole cost and expense to rebuild and repair the Demised Premises. If the building which is a part of the Demised Premises shall be destroyed or substantially damaged by fire or other casualty which Lessee determines substantially interferes with the Lessee's occupancy, then Lessor may elect either to terminate this lease or to proceed to rebuild and repair the Demised Premises. Lessor shall give written notice to Lessee of such election within ten (10) calendar days after the occurrence of such casualty and if Lessor elects to rebuild and repair shall proceed to do so with reasonable diligence and at its sole cost and expense.

CITY CLERK DEPT.

07 JUL 12 PM 3:09

Lessor's obligation to rebuild and repair under this agreement shall in any event be limited to restoring the Demised Premises and the buildings and improvements thereon and therein to substantially the condition in which the same existed prior to such casualty except for any fixtures and equipment installed by Lessee which were not to become permanent fixtures for the benefit of Lessor.

If, because of damage or destruction resulting from any cause whatsoever, the Demised Premises are damaged to the extent that Lessee determines that it cannot, without substantial inconvenience, expense or impairment of its ability to operate as necessary, carry on thereat all of the activities it theretofore carried on, including all of the activities described herein, then from the date of the occurrence of such damage or destruction until

the date such damage or destruction has been completely repaired and the Demised Premises have been restored to the condition they were in immediately prior to the occurrence of such damage or destruction, there shall be a complete abatement of rent (prorated on a daily basis), and Lessee shall not be obligated to pay rent for such period.

If, in the event of any damage to or destruction of the Demised Premises, Lessee reasonably concludes, based upon the written report of an architect, engineer, or contractor who is duly certified or licensed by the State of Texas or the highest authoritative regulatory agency for that profession including, but not limited to, a report issued by the City of El Paso's Departments of Development Services and Engineering that the restoration of the Demised Premises to the condition the condition in which they existed immediately prior to the occurrence of such damage or destruction is not likely to be completed until a date which is more than twenty-one (21) calendar days from the date such damage or destruction occurred, Lessee or Lessor may terminate without penalty or other liability this lease by giving written notice to Lessor by Lessee or written notice to Lessee by Lessor not later than five calendar (5) days after the occurrence of such damage or destruction, with the termination of the lease to be effective as of the date of such damage or destruction.

11. PAYMENT FOR INSURANCE; INDEMNITY AND PUBLIC LIABILITY

INSURANCE. To the extent allowed by law and without waiving sovereign immunity, if applicable, Lessee will be responsible for its own actions related to, or arising out of, or in any way connected with its own actions or its use of the Demised Premises. Lessor shall not be liable to Lessee or to Lessee's employees, agents or visitors, or to any other person whosoever, for any injury to person or damage to property on or about the Demised Premises caused by the willful negligence or misconduct of Lessee, its employees, sublessees, licensees or concessionaires, or arising out of any breach or default by Lessee in the performance of its obligations hereunder. Lessee shall pay the premiums for liability, fire and extended coverage insurance carried by Lessee (hereinafter referred to as the "insurance premiums") during the lease term for the Demised Premises, including the building and improvements existing thereon or therein. Lessee throughout the term of this lease shall maintain, at its sole cost and expense, insurance coverage with a reliable insurance company or companies authorized to do business in Texas with respect to the buildings, the contents and the improvements now or hereafter located on, within or as part of the Demised Premises, of the following types and in the following amounts:

- (a) Insurance coverage against loss or damage by fire and lightning and insurance against loss or damage by other risks embraced by "extended coverage" insurance in an amount not less than the full replacement cost of the building and improvements, now or hereafter existing on, about, within or as part of the Demised Premises as the same is determined in an amount sufficient to cover the Lessor's interest.
- (b) Public liability insurance protecting Lessor against all claims for personal injury, death and property damage occurring upon, in, or at the Demised Premises. Said policies may be part of a Master Policy carried by Lessee and in such instance, the

limit includes and covers not only the building, but also all premises wherever located, now and in the future, owned or leased by Lessee. Lessee may carry for Lessee's benefit insurance upon other personal property of Lessee as shall be deemed necessary by Lessee. Upon Lessor's request, Lessee shall deliver to Lessor copies of Lessee's certificates of said policies of insurance to assure Lessor that Lessee's insurance coverage is adequate for the occurrences for which Lessee is responsible. Lessor shall not either do or suffer anything to be done whereby any of the insurance required by the provisions hereof shall or may be invalidated in whole or in part.

12. DEFAULT BY LESSEE AND REMEDIES. The following events may be deemed to be events of default by Lessee under this lease:

(a) Lessee's failure to pay any installment of rent or any other obligation hereunder involving the payment of money and such failure shall continue for a period of fifteen (15) calendar days, except during such time at which Lessee's fiscal budget year is ending and commencing at which time Lessee shall not be considered in default of this lease unless thirty (30) calendar days have passed since the rental or other obligation involving money was due.

13. HOLDING OVER. In the event Lessee remains in possession of the Demised Premises after the expiration of the initial lease term without the execution of a new lease or without the mutual agreement of Lessor and Lessee to exercise the option term, Lessee shall be deemed to be occupying said premises as a Lessee from month-to-month at the rental herein provided and subject to all the conditions and obligations of this lease insofar as the same are applicable to a month-to-month tenancy.
