

CITY OF EL PASO, TEXAS
AGENDA ITEM DEPARTMENT HEAD'S SUMMARY FORM

DEPARTMENT: POLICE

AGENDA DATE: July 28, 2009

CONTACT PERSON/PHONE: Assistant Chief Eric Shelton / 564-7357

Terrence Freiburg, Purchasing Manager, 541-4313

DISTRICT(S) AFFECTED: ALL

SUBJECT:

To approve Morphotrak, Inc. (Option B) as the selected vendor to acquire the Mobile Two-Finger Fast ID System for the amount of \$617,830.00. The selection of this vendor was based on bids submitted to the Purchasing Department and consideration of the needs of the El Paso Police Department. This is a best value procurement. Up to 100 units will be purchased.

BACKGROUND / DISCUSSION:

The Mobile Two-Finger fast ID System will be purchased with grant funds. The system will allow for the identification of people by police officers without officers having to leave the field or use valuable time to travel to headquarters for fingerprinting, saving time and gas. The system will connect to the current EPPD fingerprint database. Future plans are to connect to the fingerprint databases of DPS and RISC (the federal database). The system will ensure that people without identification are positively identified, increasing the effectiveness of police operations. This is particularly important at this time of budget cuts, hiring freezes, and the associated realignment / reduction of police services to the public.

PRIOR COUNCIL ACTION:

No prior council action has been taken.

AMOUNT AND SOURCE OF FUNDING:

The funding source is BSET Grant Border Security Equipment Technology grant funding under account number 21150002 - 21000 - G210833 - 05445 - 508010.

BOARD / COMMISSION ACTION:

PROJECT FORM

DATE: JULY 15, 2009

PROJECT: MOBILE TWO FINGER FAST I.D. SYSTEMS
RFP NO: 2009-241R DEPARTMENT: POLICE
BUDGET NO: 21150002-508010-05445-G210833
FUNDING SOURCE: BORDER SECURITY EQUIPMENT TECHNOLOGY GRANT (BSET)
REPRESENTATIVE DISTRICT(S): ALL

RECOMMENDATION: Vendor: Morphotrak, Inc.
Tacoma, WA
Total First Year Cost: \$343,830.00 (Option B)
Total Cost (Years 2-5): \$274,000.00

The Departments of Financial Services, Purchasing Division and Police Departments recommend award as indicated. The review committee based on evaluation factors established for this procurement, recommend award to the highest ranked proposer as indicated.

Vendor offers the City the option to extend the term of the contract at the same unit price for an additional one (1) year period from the date of award. No prompt payment discount is offered.

DataWorks Plus, LLC, Greenville, SC was deemed non-responsive per legal because they took an exception to any costs associated with interfacing with Sagem Morpho, which was a requirement of the bid.

RE: Bid # 2009-241R Mobile Two Finger Fast ID Systems

All vendor proposals for bid # 2009-241R were reviewed, evaluated, and scored as indicated on the attached committee score sheet. The recommended bidder is Morphotrak, Inc. (Option B) who received the highest score in this best value bid.

The anticipated amount is \$617,830.00 and up to 100 mobile units will be purchased.

In considering all factors, Morphotrak, Inc. (Option B) received the highest score. The factors considered were cost, compliance with the detailed functionality requirements of the RFP, reputation of the bidder and bidder's goods and services, the system demonstration, and the future long-term costs.

This purchase affects all districts. The funding source is BSET Grant Border Security Equipment Technology account number 21150002 – 21000 – G210833 – 05445 – 508010.

 FROM: A/AC M. Gardner *M. Gardner*
 DATE: July 23, 2009
 RE: Cost Benefit Analysis

The pending purchase of the mobile two-finger fast ID systems will provide numerous cost-saving benefits resulting in a positive return on the investment. The system will be used to assist in positively identifying subjects through fingerprints by officers while in the field without having to leave the scene to transport the subject to a regional command or HQ for fingerprinting. The ability to perform this function while remaining in the field presents the below benefits.

The purchase will be made with grant funds awarded specifically for purchase of this system. Failure to utilize the grant funds potentially results in negative consequences for future grant fund awarding opportunities.

Area	Direct Benefits	Indirect Benefits
Police Department	<ul style="list-style-type: none"> • Immediate information return • Immediate verification of ID of subjects believed to be lying without officers leaving the street • Faster information processing • Increased access to accurate information • Fewer identification errors 	<ul style="list-style-type: none"> • Officers have more time on the street • Reduced "negative contact" time with subjects leads to fewer opportunities for complaints or incidents • Less "in custody" time • Officer does not need to leave the street leading to improved public service
