

**Americans with
Disabilities Act Transition
Plan Update**

When a Transition Plan is Required

- If structural changes must be made to achieve program accessibility.
- If a public entity has authority over streets, roads, or walkways.

What Must the Plan Include

- List of physical obstacles.
- Methods to make facilities accessible.
- A schedule to achieve compliance.
- Name the official responsible for implementation of the plan.

Progress made toward Transition Plan Update

- Updates of self evaluations of Municipal and Sun Metro Facilities.
- A self evaluation of Public Right of Way Physical Obstacles is underway.
- All Departments have ADA representatives.

What is Next

- Compile all information.
- Obtain public input.
- Make the revised copy of the plan available for public review.
- Continue barrier removal based on the plans schedule.
