From: Ellen Smyth, P.E., Director
Subject: Scrap Metal Bid Rejection
Date: July 19, 2004

A handwritten signature in black ink, appearing to read "Ellen Smyth", is written over the "From:" line of the memo.

The bids received were not officially submitted as requested. The Department would like to have the different bidders submit a percentage for payment of the market value for each respective month. In this aspect, both the City and the bidder will not lose due to the constant fluxing of scrap metal markets. The most responsive bidder willing to pay the City the highest percentage of the monthly market rate will be recommended for award of the bid.

For this reason, the current bids need to be rejected and sent out for re-bid.
