**AN ORDINANCE GRANTING A SPECIAL PRIVILEGE TO EL PASO 221, L.P.,
A TEXAS LIMITED PARTNERSHIP, TO PERMIT AND REGULATE THE MAINTENANCE
AND USE OF AN EXISTING UNDERGROUND TUNNEL WITHIN A PORTION OF
KANSAS STREET BETWEEN MILLS AVENUE AND TEXAS AVENUE**

WHEREAS, on June 11, 1970, the El Paso City Council approved Ordinance No. 4422 which granted a franchise to the State National Bank of El Paso to construct, maintain and use an underground tunnel (hereinafter referred to as "Tunnel") in and across a portion of Kansas Street in the block between Mills and Texas Avenues (hereinafter referred to as "Public Way") located on Kansas Street in Blocks 11 and 41 of the Mills Map; and

WHEREAS, the Tunnel connected properties of the State National Bank of El Paso on each side of Kansas Street in Blocks 11 and 41 of the Mills Map; and

WHEREAS, the Tunnel was constructed so as to not interfere with any public use of the surface of the City right-of-way, nor with any existing utility line in the area; and

WHEREAS, the term of the franchise granted under Ordinance No. 4422 is for thirty years and expires on June 11, 2000; and

WHEREAS, El Paso 221, L.P., a Texas Limited Partnership, as the successors in interest of the property (and hereinafter referred to as "Grantee") desires to continue the use and maintenance of the Tunnel as previously authorized under Ordinance No. 4422 and have filed an application for a Special Privilege License; and

WHEREAS, the Development Coordinating Committee (DCC) has reviewed the application for Special Privilege License filed by Grantee and recommended approval of the continuation of the use and maintenance of the Tunnel as herein provided; and

WHEREAS, the City Council finds that the grant of a Special Privilege upon the terms and conditions hereinafter set forth is not inconsistent with and will not unreasonably impair the public use of the right-of-way;

NOW, THEREFORE, BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF EL PASO:

GC:pmc\#71318

SECTION 1. PURPOSE

The City of El Paso hereby grants to Grantee a Special Privilege to regulate, repair, maintain and use one (1) existing underground tunnel upon, beneath, across and along a portion of Kansas Street in the block between Mills Avenue and Texas Avenue, and as more particularly described in Exhibit "A" attached hereto and incorporated herein for all purposes, so as to connect properties of Grantee lying on each side of Kansas Street in Blocks 11 and 41 of the Mills Map.

The main Tunnel is approximately 70 feet long with its centerline approximately 67 feet, 1 inch southerly of the northerly property lines of Blocks 11 and 41 and having interior dimensions of approximately 16 feet, 6 inches in width and 10 feet in height.

There is a continuation of the Tunnel on Kansas Street and on its easterly side, at approximately right angles to the main tunnel, commencing on the northerly side of the main Tunnel and continuing northerly adjacent to the property line, being approximately 26 feet, 7 inches in length, with interior dimensions of approximately 7 feet in width and 10 feet in height.

The main Tunnel and its continuation is constructed of reinforced concrete with walls 12 inches thick, ceiling 14 inches thick and floor 4 inches thick. The top of the Tunnel roof slab varies from 1 ½ feet to 5 feet below the existing pavement.

Use of the Public Way shall be limited for the purpose of access to Grantee's parking garage located within Block 41 from the Bank building located on Block 11 and as otherwise agreed to by the parties hereto. Any use of public right-of-way other than the use of the Public Way in connection with the Tunnel is not authorized by this Special Privilege. Nothing herein shall grant any real property interest to the Grantee nor give rise to any vested right in the Grantee, his assigns or successors in interest who shall not have a cause of action for damages upon revocation or termination of this Special Privilege in accordance with the terms herein.

This Special Privilege shall not permit or be construed to permit any other private use of the City's Public Way which impairs its function as a public right-of-way. Grantee shall not construct any additional improvements, or make any additions

or alterations on, below or over the City Public Way, without prior written consent of the El Paso City Council.

SECTION 2. REGULATION OF CONSTRUCTION

Grantee shall submit to the Deputy Directors for Building Services and Engineering one (1) copy each of the as-built drawings of the existing Tunnel within the Public Way showing the design and construction specifications of the Tunnel.

Grantee has conducted a visual inspection of the Tunnel prior to acquisition of the property and Grantee has interviewed building management representatives familiar with the maintenance of the Tunnel during the period of ownership by Norwest Bank, Texas N.A. and to the best of Grantee's knowledge and belief there are no structural deficiencies or deferred maintenance issues with respect to the Tunnel.

The work done by Grantee in replacing, repairing, reconstructing, or maintaining the Tunnel shall be subject to and governed by all laws, rules and regulations of the City and State of Texas, and the U.S. Government that are applicable to insuring the work done does not unreasonably inconvenience the public in the use of the Public Way including, but not limited to the following:

A. In the event that Grantee desires to reconstruct, repair, maintain, or replace the Tunnel built hereunder which involves excavation or any surface disturbance, Grantee shall submit the plans and specifications that pertain to the rebuilding or repairs to the Public Way and the rebuilding or repairs of any of the public utilities to the Deputy Director for Building Services for approval fourteen (14) days prior to the scheduled work. Approval of such plans will not be unreasonably delayed, withheld, or denied by the Deputy Director for Building Services. In the event that emergency repairs are necessary, Grantee shall immediately notify the Deputy Director for Building Services and provide details of the proposed repair work and the traffic control plan. On weekends and holidays, the Deputy Director for Building Services shall be notified as soon as practicable regarding work performed under emergency conditions.

B. Where proposed, any excavation or trenching and other re-construction in the Public Way shall be so carried out as to interfere as little as practical with the

surface use of the Public Way in accordance with any lawful and reasonable direction given by or under the authority of the governing body of the City under the police and regulatory powers necessary to provide for public convenience.

C. Grantee covenants and agrees that Grantee shall, at its own expense, repair all water lines, storm and sanitary sewer lines, service lines and water meters owned by the City that Grantee, its employees, contractors, agents or assigns, damage so that such repair of the water lines, storm and sanitary sewer lines and water meters shall comply with the approval of the Deputy Director for Building Services, and such approval shall not be unreasonably delayed, withheld or denied.

D. Except in an emergency, Grantee shall not bore, excavate or trench any pavement in the Public Way without first securing the prior permission of the Deputy Director for Building Services, but such permission shall not be unreasonably delayed, withheld or denied if the proposed boring, excavation or trenching is in accordance with the terms of this Special Privilege. The Deputy Director for Building Services shall be notified as soon as practicable regarding work performed under emergency conditions.

The City shall have the power at any time to order and require Grantee to cease utilization of all or any portion of the Tunnel that is dangerous to life or property until such time as such condition is eliminated, to be determined by the City in its sole discretion. Should Grantee, after notice, fail or refuse to comply within a reasonable time, the City shall have the power to remove or abate same, at the expense of Grantee, all without compensation or liability for damages to Grantee.

Work done in connection with the re-construction, repair and maintenance of such facility is subject to the continuing police power of the City.

SECTION 3. TERM

This Special Privilege shall be for a term of fifteen (15) years from the effective date hereof, unless terminated earlier as provided herein. At the end of this term, the City shall have the option of renewing this Special Privilege for an additional fifteen (15) years upon the request of the Grantee. If Grantee wishes the City to renew this Special Privilege, Grantee shall submit a request in writing to the City no later than three (3) months prior to the expiration date of this Special Privilege. Should Grantee

fail to submit such request for the renewal of this Special Privilege to the City as herein required, the Special Privilege shall expire upon the expiration date. Grantee understands, agrees, and accepts that the City may require that the terms, conditions, and provisions of this Special Privilege be modified as a condition for renewing the grant of the encroachment within the Public Way as permitted by this Special Privilege.

SECTION 4. WORK DONE BY OTHERS

The City expressly reserves the right to install, repair, or reconstruct the Public Way used or occupied by Grantee, any streets or alleys and all ancillary public uses, usual and customary in connection with streets and alleys, expressly including but not limited to, drainage facilities and structures.

The City reserves the right, subject to further conditions described in this paragraph, to lay and permit to be laid, utility lines including, but not limited to, storm and sanitary sewer, gas, water, and other pipelines or cables and conduits, and to do and permit to be done, any underground and overhead installation or improvement that may be deemed necessary or proper by the governing body of the City in, across, along, over or under the Public Way occupied by Grantee, and to change any curb or sidewalk or the street grade of any street. The City shall use reasonable diligence to limit to the extent practicable the disruption of Grantee's use of the Tunnel. The City shall notify Grantee of work to be performed as herein described. The City shall not be liable to Grantee for any damage resulting therefrom, nor shall the City be liable to Grantee for any damages arising out of the performance of any work by the City, its contractors or subcontractors, not willfully and unnecessarily occasioned; provided, however, nothing herein shall relieve any other persons or entities from liability for damage to Grantee's Tunnel. If the City requires Grantee to remove, alter, change, adapt, or conform its Tunnel because of changes in the grade of the Public Way or in the location or manner of constructing a water pipe, sewer pipe or other underground or aboveground structure owned by the City, Grantee shall make the alterations or changes as soon as practicable when ordered in writing by the El Paso City Council without claim for reimbursement or damages against the City. If these requirements impose a financial hardship upon Grantee, Grantee shall have the right to present

01452R

alternative proposals for the El Paso City Council's consideration. If the City requires Grantee to remove, alter, change, adapt or conform its Tunnel to enable any other entity or person, except the City, to use, or to use with greater convenience, the Public Way, Grantee shall not be required to make such changes until such other entity or person shall have undertaken with solvent bond, to reimburse Grantee for any loss and expense which will be caused by or arise out of such removal, alteration, change, adaptation or conformance of Grantee's Tunnel; provided, however, the City shall not be responsible nor liable for such reimbursement.

SECTION 5. RESERVATION OF SURFACE, SUBSURFACE, AND AIRSPACE RIGHTS

The City reserves the right, subject to Section 4, to use the surface or subsurface or airspace within the Public Way covered by this Special Privilege for any public purposes allowed by law and deemed necessary by the City and to do or permit to be done any work in connection therewith which may be deemed necessary or proper by the City on, across, along, under or over said Public Way occupied by Grantee; and whenever by reason of said work in connection with said purposes it shall be deemed necessary by the City to alter, change, adapt, conform or relocate portions of Grantee's Tunnel, such alteration or change or relocation shall be made by Grantee when ordered in writing by the Deputy Director for Building Services without any claim for reimbursement or damages against the City; provided, however, that Grantee shall at all times be entitled to receive from appropriate governmental bodies, excluding the City, payment for alteration or relocation of its Tunnel to which it may be lawfully entitled under applicable federal or state laws with respect to relocation payments.

SECTION 6. CONSIDERATION

A. As consideration for this Special Privilege, Grantee shall pay to the City the sum of Five Hundred Fifty and No/100 Dollars (\$550.00) per year, for a total sum of Eight Thousand Two Hundred Fifty and No/100 Dollars (\$8,250.00). The total sum shall be due and owing prior to City Council approval of the Special Privilege. The advance payment shall be in the form of a cashier's check payable to "The City of El Paso" and delivered to the City Department of Planning, Research and Development

for remittance to the Office of the City Comptroller. If the Special Privilege is disapproved by the City Council, a full refund of the payment shall be made by the Office of the City Comptroller within fifteen (15) days of the denial action.

B. The fee payment shall be exclusive of and in addition to all general municipal taxes of whatever nature, including, but not limited to, the ad valorem taxes and assessments for public improvements except as hereinafter provided as may be enacted during the term of this Special Privilege or any renewal.

C. The fee established in this Section shall not be affected by any relocation of Grantee's Tunnel required by the City pursuant to this Special Privilege.

D. The fee payment shall be exclusive of and in addition to all costs of obtaining required permits, plans and other approvals as necessary to conform with all other applicable City Special Privileges and regulations.

SECTION 7. INSURANCE

A. Grantee shall provide the City with a certificate of insurance and shall maintain such insurance in effect during the term of this Special Privilege. Grantee agrees to indemnify and hold the City harmless from any claims for injury, death, loss or damage of any kind or character, and by whomsoever suffered or asserted, occasioned by or in connection with the use or temporary closing of the Public Way by Grantee, its agents, servants or employees or any organizations contracted by the Grantee.

Grantee shall provide public liability insurance for personal injuries and death growing out of any one (1) accident or other cause in a minimum amount of Two Hundred Thousand and No/100 Dollars (\$200,000.00) per person, and Five Hundred Thousand and No/100 Dollars (\$500,000.00) for two (2) or more persons in any one accident, and, in addition, shall provide property damage liability insurance in a minimum sum of One Hundred Thousand and No/100 Dollars (\$100,000.00) for property damage growing out of any one (1) accident or other cause. These amounts are not a limitation upon Grantee's agreement to indemnify and hold the City harmless.

Grantee shall procure said insurance with a solvent insurance company authorized to do business in Texas. All policies shall name the City of El Paso, its

officers, agents, servants and employees as additional insureds. Such policy or certificate shall provide that the insurance cannot be canceled or the amount of coverage changed without ten (10) days prior written notice to the City Clerk. Grantee shall file a copy of the policy or certificate of insurance with the City Clerk, the City Attorney's Office, and the Department of Planning, Research & Development. If the policy is not kept in full force and effect throughout the term of this Special Privilege. If the City receives notice that Grantee has violated this provision of the Special Privilege, the City will provide written notice to Grantee and Grantee shall have ten days to cure the violation. Failure to cure the violation within ten days of notice shall subject the Grantee to termination of the Special Privilege.

SECTION 8. RIGHTS IN THE EVENT OF ABANDONMENT

As an express condition of this Special Privilege, and not as a mere covenant, in the event Grantee abandons the Tunnel or a portion thereof, or the Tunnel placed in the Public Way hereby ceases to be used by Grantee for the purposes enumerated herein for any period of six (6) months or longer, the Special Privilege shall automatically revert to the City, its successors or assigns, free and clear of any right, title, or interest in Grantee, without the necessity of any notice to Grantee or any re-entry by the City. However, if Grantee's failure to use the Tunnel is a result of a casualty, such as fire, storm, earthquake, or other similar casualty, affecting the office building or the garage, such cessation of use shall not be deemed as abandonment, provided that the Grantee uses reasonable diligence to reconstruct the damaged portion.

SECTION 9. CANCELLATION

Grantee shall have the option to terminate this agreement at any time upon giving the City written notice sixty (60) days in advance of such termination. In addition, the City shall have the option to cancel and terminate this agreement for failure of Grantee to comply with any material provision or requirement contained in this agreement after sixty (60) days written notice to Grantee. However, if said breach or failure to comply cannot be reasonably cured within sixty (60) days, if the breaching party shall proceed promptly to cure the same with due diligence, the time for curing such failure to comply shall be extended for such period of time as may be

deemed reasonably necessary by the City to complete such curing unless such breach involves public safety.

Upon termination of this Special Privilege, prior to the expiration of the original term, Grantee shall remove its Tunnel located in the Public Way at no cost to the City. When said Tunnel is removed from the Public Way, Grantee shall restore all pavement or base, damaged or removed during the term of this Special Privilege, if any, at Grantee's own cost and expense, as determined by the Deputy Director for Building Services and in accordance with City specifications. The City may, at its option, restore all pavement or base, damaged or removed during the term of this Special Privilege, and charge such costs to Grantee who shall be responsible for payment of such repair and restoration costs. Any such restoration shall be subject to the reasonable approval of the City.

SECTION 10. RECORDS

The El Paso City Council and the Deputy Director for Building Services shall be kept fully informed by Grantee as to matters pertaining in any way to Grantee's exercise of its rights under this Special Privilege, including the replacement, reconstruction, maintenance and repair of the Tunnel within the Public Way. Grantee shall keep complete and accurate maps, construction drawings and specifications describing the location of the Tunnel within the Public Way. The City shall have the right, at reasonable times to inspect such maps, construction drawings and specifications.

SECTION 11. NOTICE

Any notice or communication required in the administration of this Special Privilege shall be sent as follows:

SECTION 12. ASSIGNMENT

The rights granted by this Special Privilege inure to the benefit of the Grantee, and any parent, subsidiary, or successor entity now or hereafter existing. The rights shall not be assignable without the express written consent of the El Paso City Council, such consent will not be unreasonably delayed, denied or withheld. However, should Bank One, Texas, N.A. ("Bank One"), the mortgagee, acquire title to the property, whether by foreclosure, deed-in-lieu of foreclosure or otherwise, all rights granted under this Special Privilege will pass without the necessity of City Council approval, provided that Bank One provides notice to the City stating that Bank One expressly assumes the responsibilities and obligations under the Special Privilege along with all documentation to be in compliance with the provisions of the Special Privilege. However, Bank One must obtain the express written consent from the El Paso City Council, to assign the Special Privilege to any other party, which consent will not be unreasonably delayed, denied or withheld. A written copy of any such assignment must be filed with the City. Any required consent shall be evidenced by a Special Privilege or resolution of the El Paso City Council that fully recites the terms and conditions, if any, upon which consent is given.

SECTION 13. LEASING OR DEDICATION OF FACILITIES

Grantee, without the consent of the El Paso City Council, shall not lease any of the Public Way it uses in connection with its Tunnel, to any non-grantee person or entity; provided that Grantee shall have the right to lease or dedicate its Tunnel or any portion thereof, or otherwise make available the Tunnel in the ordinary conduct of its business, so long as Grantee retains responsibility for servicing and repairing the Tunnel.
