ORDINANCE NO. \_\_\_\_\_

**AN ORDINANCE AMENDING TITLE 7 (ANIMALS), CHAPTERS 7.04 (DEFINITIONS), 7.12 (DOGS AND CATS), 7.16 (IMPOUNDMENT), AND 7.24 (LIVESTOCK); AND TO CREATE CHAPTER 7.14 (ANIMAL SALES, BREEDING AND SHOWS); TO DEFINE TERMS; TO CLARIFY FEES AND REVISE REGULATIONS APPLYING TO SPAYED, NEUTERED, UNSPAYED AND UNNEUTERED DOGS AND CATS; TO REVISE PERMITTING PROCEDURES; TO PROVIDE FOR THE SERVICES OF ANIMAL WELFARE ORGANIZATIONS; TO PROHIBIT THE SALE OF MOST DOGS AND CATS, AND THE SALE AND TRANSFER OF ALL DOGS AND CATS YOUNGER THAN EIGHT WEEKS OF AGE; TO REQUIRE THAT A LITTER PERMIT NUMBER BE DISPLAYED IN ANY ADVERTISEMENT TO SELL OR TRANSFER PUPPIES AND KITTENS; TO REQUIRE ANIMALS RELEASED BY THE CITY AND ANIMAL WELFARE ORGANIZATIONS BE SPAYED OR NEUTERED; AND TO PROVIDE FOR AN ANNUAL REPORT OF EUTHANIZED ANIMALS IN THE CITY; THE PENALTY BEING AS PROVIDED IN SECTION 7.04.080 OF THE EL PASO CITY CODE.**

**WHEREAS**, on December 14, 1999, City Council by resolution acknowledged the City's euthanization rate of dogs and cats as being one of the highest in the nation and stated a goal of being a no-kill City by December 31, 2005; and

**WHEREAS**, achieving a "no kill" goal requires increasing the entire community's awareness of the critical animal care issues that the City of El Paso faces; and

**WHEREAS**, on February 16, 2010, the Health and Public Safety Legislative Review Committee of the City Council, received a recommendation from the City's Animal Welfare Advisory Committee to revise Title 7 of the El Paso City Code to allow for a differential fee for dogs and cats that are spayed and neutered versus dogs and cats that are not spayed and neutered, and to require that any advertisement for the sale or transfer of puppies or kittens include the litter permit number; and

**WHEREAS**, the City Council finds that each year, thousands of dogs and cats are euthanized in the City because they are not wanted, and the purpose of this ordinance is to promote the health, safety and welfare of the public and the local pet population by reducing the number of dogs and cats in the City; and

**WHEREAS**, the City finds that strictly regulating the sale and transfer of dogs and cats, and including special provisions regarding the services of animal welfare organizations who work primarily with dogs and cats that have been abandoned, recovered or found primarily within El Paso County, Texas or a bordering county, is an appropriate solution to eliminate the excessive numbers of unwanted dogs and cats, to reduce the euthanization rate, and to achieve the City's goals of achieving the "no kill" goal by restricting breeding practices through

legislation that is both reasonable and enforceable and by promoting the adoption of the existing dog and cat population in and around El Paso County; and

**WHEREAS**, offering fee reductions or discounts for the registration of spayed or neutered dogs and cats, incentivizes spaying and neutering which serves an important municipal purpose relating to achieving the City's goals as set forth above.

**NOW, THEREFORE, BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF EL PASO:**

**7.24.050 Additional Permit Requirements**

A. A permit issued under this chapter may include reasonable conditions, including total number of animals authorized as determined by the veterinary officer to prevent a nuisance. All conditions of a permit are subject to review and revision by the veterinary officer and the veterinary officer may alter conditions or restrictions of the permit if any investigation indicates any changed conditions or circumstances since the original application.

B. The program shall determine by inspection or otherwise, whether the keeping of animals as proposed in any permit application under this chapter is in violation of any law or ordinance, including but not limited to any zoning ordinance, and whether the keeping of such animals will constitute a nuisance. In making such determination, the program shall consider the following factors and be guided by the following standards:

1. The area of the premises on which the animals are to be kept;
2. Whether the immediate neighborhood is residential or other;
3. Whether the zoning of the premises allows the keeping of such animals;
4. Whether the keeping of animals will endanger the public health or cause odors or noises offensive to persons of ordinary sensibilities;
5. Whether the keeping of such animals considering all the circumstances, is likely to endanger persons or property.

C. The veterinary officer shall verify his approval or disapproval of each application submitted pursuant to this chapter and shall issue or refuse the permit accordingly. The permit may include reasonable conditions determined by the veterinary officer to be necessary to prevent a nuisance, such as but not limited to, the number and kind of animals to be kept thereon.

D. Each permit shall be renewed annually by the last day of the month in which the permit was issued the previous year, accompanied by payment of the established fee. If ownership of the place in which the animals are kept is changed, the permit may be changed accordingly upon written verified application and payment of the established fee for amending the permit.

E. After reasonable written notice and opportunity to be heard, the veterinary officer may suspend or revoke any permit issued under this section for violation of this title by the permit holder or his agent or employee; or if conditions arise which could justify denying the permit on an original application he may review and alter conditions or restrictions of the permit if investigation indicates any changes since the original application.

F. Notice of a permit suspension or revocation must be delivered in person or in writing to the permit holder.
