

Micheal C. Wendt

Vice-President of Laser Tech, Inc., a woman owned, HUB certified and ISO 9002 registered company. Laser Tech, was founded in 1989 by Judy and Mike Wendt. As with many of the companies in the remanufacturing industry the business began out of their garage. Today Laser Tech, Inc., is a technology centric company providing services from network engineering to imaging supplies and service. The company serves customers world wide. Laser Tech manages its customer's networks so that they can manage their businesses.

Laser Tech, Inc., continues to be an active member of the small business community in El Paso. We are one of the few small companies that provided full health care coverage for all of our employees. We have been active in the United Way campaigns and active corporate members of the AUSA Gen. Omar N. Bradley Chapter. Judy is very active in the Great El Paso Chamber of Commerce. BBB Member in good standing. Judy and Mike Wendt were named as part of the Top Ten Industry All Stars in 2001 – "The people and companies that make the plays" by Recharger Magazine.
