

CITY OF EL PASO, TEXAS
DEPARTMENT HEAD'S SUMMARY REQUEST FOR COUNCIL ACTION (RCA)

DEPARTMENT: Engineering

AGENDA DATE: August 14, 2007

CONTACT PERSON/PHONE: Rick Talamo, Capital Projects Manager (X4423)
Terrence Freiburg, Purchasing Manager, ext. 4313

DISTRICT(S) AFFECTED: 1 & 8

SUBJECT:

That the City reject all bids submitted for Bid Number 2007-204, Westside Park Improvements Phase III.

BACKGROUND / DISCUSSION:

The Westside Park Improvements Project Phase III is a Community Development project that includes work on two Westside parks, El Barrio Park, located at 3001 Findley, and Tom Lea (Lower) Park, located at 1203 Schuster. The construction estimate is \$161,000.00 with the estimated cost split 70% and 30% between El Barrio and Tom Lea (Lower) respectively. The bids were opened on July 25th.

The recommendation to reject all bids for this project is the result of two of eight bidders submitting bid proposals on incorrect proposal forms. The correct proposal form was contained within the project specification book but a courtesy copy of the proposal form, which was attached to the book, omitted the last item from the form. As a result, a final determination of the lowest bidder cannot be made; therefore, the most equitable and recommended approach is to reject all bids.

SUBJECT: Solicitation No. 2007-204
Westside Park Improvements Phase III

DATE: August 6, 2007

The recommendation to reject all bids for this project is the result of two of eight bidders (Allen Concrete, Inc. and Medlock Commercial Contractors, LLC) submitting bid proposals on forms excluding item #23. The correct proposal form (including item #23) was contained within the project specification book but a courtesy copy of the proposal form, which was attached to the book, omitted this item from the form. A courtesy copy is a summarized version of the relevant documents within the project specification book that is used as a quick reference by vendors.

Apparently, there was a late add (item #23) to the specifications just before it was sent to the copier center for printing and binding that was not communicated to the Engineering Contract Compliance Office and, therefore, the courtesy copy did not reflect this change. As a result, a final determination of the lowest bidder cannot be made, therefore, the most equitable and recommended approach is to reject all bids.

As a result of this incident, it has been decided to delete the courtesy copy format and issue a single set of documents under a separate cover for submittal by vendors to remedy this problem.

This purchase will be rebid as soon as possible.

AGENDA DATE: 8/14/07

Please place the following item on the **CONSENT** AGENDA for the City Council Meeting of Tuesday, August 14, 2007.

Item should read as follows: Request rejection of all bids for Solicitation No. 2007-204 (Westside Park Improvements Phase III Project), as recommended by Financial Services, Purchasing Division, and Engineering Departments because the low bid could not be determined because two of eight bidders bid on proposal forms that excluded the last item.

The Financial Services and Engineering Departments recommend rejecting all bids. The project will be re-bid under a different solicitation number.
