PLANNING DIVISION**

MEMORANDUM

DATE: July 23, 2008
TO: The Honorable Mayor and City Council
Joyce Wilson, City Manager
FROM: Mirian Spencer, Planner
SUBJECT: ZON08-00048

The City Plan Commission (CPC), on July 17, 2008 voted (7 to 0) to recommend **APPROVAL** of the special permit to allow retail uses in a SRR (Special Residential Revitalization) zoning district in agreement with the recommendation from staff and the Development Coordinating Committee.

The applicant is requesting a special permit in order to permit retail uses within the SRR (Special Residential Revitalization) zoning district. The property is 0.0716 acres in size and is multi-family apartments. The applicant is proposing to maintain the multi-family apartments on the second floor of the building, with retail uses on the first floor. Retail uses are permitted within the SRR (Special Residential Revitalization) zoning district with a Special Permit. The detailed site plan shows the existing building located on the site. Access is proposed via Father Rahm Avenue, Oregon Street, and the adjacent Alley. No parking spaces are required in the SRR (Special Residential Revitalization) zoning district. The property is located within the Mercado District in the 2015 Downtown Plan. There are no zoning conditions imposed on the property.

The proposed mixed-use development is compatible with the 2025 Projected General Land Use Map for the Central Planning area which designates the property for mixed-use development. The surrounding area is composed of multi-family residential, retail, office, and churches.

The CPC found that this special permit request is in conformance with The Plan for El Paso; and the proposed use is in conformance with the Year 2025 Projected General Land Use Map. The CPC also determined that this rezoning protects the best interest, health, safety, and welfare of the public in general; and that the proposed use is compatible with adjacent land uses.

There was **ONE CALL IN SUPPORT** to this request. The nature of the opposition was due to the area being heavily affected by Storm 2006. The caller was concerned that the request would add additional residences to an area that was damaged by the flooding.

Staff Recommendation:

The Development Coordinating Committee (DCC) recommends **APPROVAL** of this request for a Special Permit to allow retail uses within the SRR (Special Residential Revitalization) zoning district.

CITY CLERK DEPT.

The Plan for El Paso City-Wide Land Use Goals recommend that El Paso “provide designated locations for commercial development that do not adversely affect the health, safety, and welfare of the community and where essential infrastructure is available to serve the development.”

2. Will Retail Shops be compatible with adjacent land uses?
3. What is the relation of the proposed change to the city’s Comprehensive Plan?
