SUBJECT: Specifications for Intoxilyzer

The Department has submitted a purchase request for the above equipment. The attached document from the Texas Department of Public Safety web site shows a listing of the machines and samples that have been certified for use by the state. The Department currently has the model 5000 and wishes to continue to use this machine. This will facility training, purchase of repair parts, building/purchasing of cabinet, and supplies. A letter has already be sent showing that C.M.I. are the only manufacturer of this model. We hope that this provides all of the necessary data needed to complete the purchase requirements. Please let me know if you need any additional data or information.
