**DEVELOPMENT SERVICES DEPARTMENT
PLANNING DIVISION**

MEMORANDUM

DATE: July 23, 2008
TO: The Honorable Mayor and City Council
Joyce Wilson, City Manager
FROM: Mirian Spencer, Planner
SUBJECT: ZON08-00014

The City Plan Commission (CPC), on July 17, 2008 voted (7 to 0) to recommend **APPROVAL** of rezoning the subject property from C-3 (Commercial) to R-5 (Residential), in agreement with the recommendation from staff and the Development Coordinating Committee.

The property owners are requesting the change of zoning from C-3 (Commercial) to R-5 (Residential) in order to permit residential duplex development. The applicants are proposing three residential duplexes on the 0.5464 acre parcel of vacant land. Access to the lots is proposed via De Leon Drive. The applicants have also submitted a Special Permit application in order to permit a planned residential development with reduced lot depths and reduced setbacks (ZON08-00048).

The proposed R-5 (Residential) zoning is compatible with the 2025 Projected General Land Use Map for the Northwest Planning area which designates the property for mixed-use development. The surrounding area is composed of single-family and multi-family residential, mobile home and commercial development.

The CPC found that this rezoning is in conformance with The Plan for El Paso; and the proposed use is in conformance with the Year 2025 Projected General Land Use Map. The CPC also determined that this rezoning protects the best interest, health, safety, and welfare of the public in general; and that the proposed use is compatible with adjacent land uses.

There was **ONE CALL IN OPPOSITION** to this request. The nature of the opposition was due to the area being heavily affected by Storm 2006. The caller was concerned that the request would add additional residences to an area that was damaged by the flooding.

Attachment: Staff Report, Zoning Plan, Rezoning Application

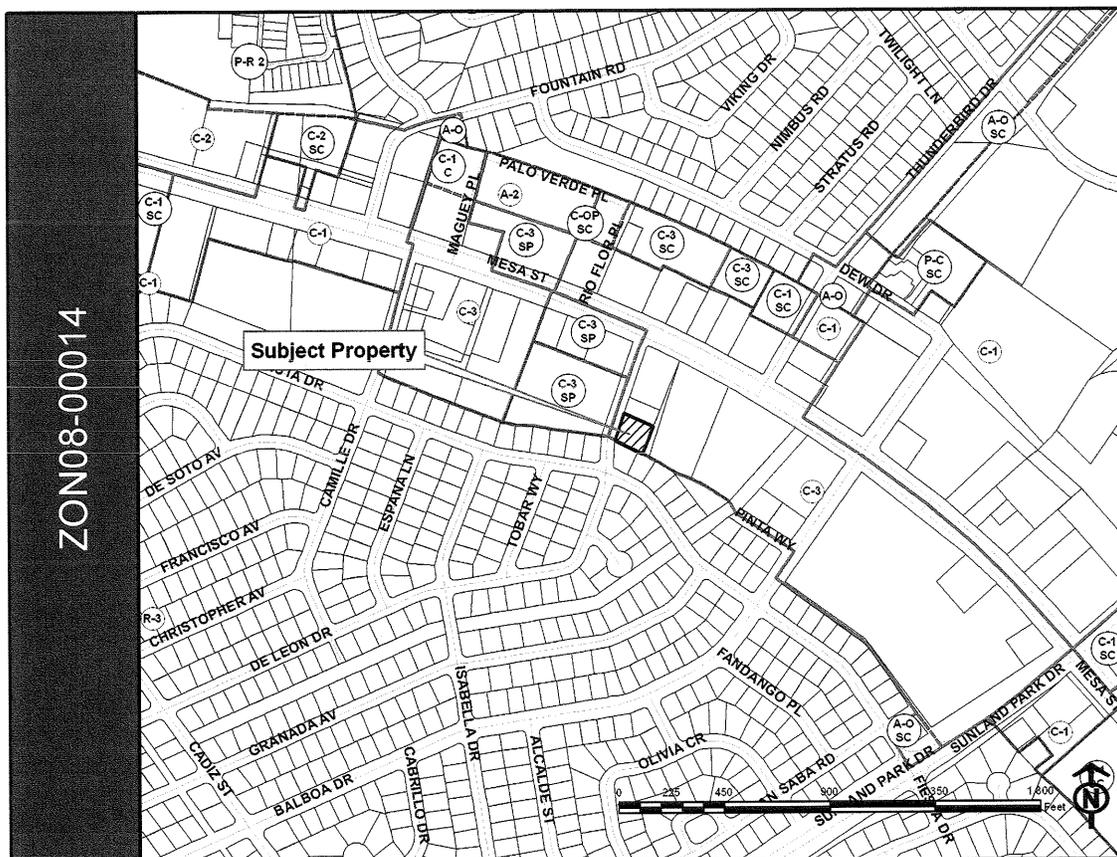

CITY CLERK DEPT.

08 AUG 11 PM 1:57

ZON08-00014

Application Type: Rezoning
Property Owner(s): Albert Gomez Builders, Inc.
Representative(s): Conde, Inc.
Legal Description: Tract 23-A-3, A.F. Miller Survey No. 214, City of El Paso, El Paso County, Texas
Location: De Leon Drive South of Mesa Street and North of Fiesta Drive
Representative District: 8
Area: 0.5464 acres
Present Zoning: C-3 (Commercial)
Present Use: Vacant
Proposed Zoning: R-5 (Residential)
Recognized Neighborhood Associations Contacted: Coronado Neighborhood Association; Save the Valley; Upper Mesa Hills Neighborhood Association
Public Response: None
Surrounding Land Uses: North: C-3 / Commercial; South: R-3 / Single-family Residential; East: C-3 / Mobile Home Park; West: C-3/sp / Multi-family Residential
Year 2025 Designation: Mixed-Use (Northwest Planning Area)

CITY CLERK DEPT.

08 AUG 11 PM 1:57

General Information

The applicant requests a rezoning from C-3 (Commercial) to R-5 (Residential) in order to permit residential duplex development. The property is vacant and 0.5464 acres in size. Access is proposed via De Leon Drive. There are no conditions imposed on the property. The applicants have submitted a special permit request for the subject property for planned residential development in order to permit variable setbacks and lot sizes (ZON08-00048). The variable lot depths include: lot depth of 75.76' for the first lot which is a 15% reduction in lot depth from 90' required. The applicants are also proposing the following set backs, Lot 1: 10' Front Yard Setback, 5' Rear Yard Setback, 10' Side Yard Setbacks and Lot 2 and 3: 20' Front Yard Setback, 15' Rear Yard Setback and 5' Side Yard Setbacks. The R-5 density and dimensional standards for R-5 district, Two-Family dwelling are as follows: Lot width 50', depth 90' and set backs: Front: a minimum of 10' with a 20' driveway, Rear: a minimum of 10' cumulative 45, Side: 5' and Side & Side Street: 10'.

Staff Recommendation

The Development Coordinating Committee (DCC) recommends **APPROVAL** of the rezoning request.

The recommendation is based on the following:

The proposed R-5 zoning is compatible with the mixed use designation of the area (single-family and multi-family residential, mobile home development, and commercial development). The property is designated for **mixed use** in the 2025 Projected General Land Use Map for the **Northwest** Planning area.

- **The Plan for El Paso City-Wide Land Use Goals** recommends that El Paso
 - "Protect residential areas from incompatible land uses and encroachment which may have a negative impact on the residential living environment".
 - "Provide a wide range of housing types that respond to the needs of all economic segments of the community."
- **R-5 (Residential) zoning is compatible** with adjacent development and land uses.

Findings

The Commission must determine the following:

1. Will R-5 (Residential) zoning protect the best interest, health, safety and welfare of the public in general?
1. Will duplex development be compatible with adjacent land uses?
2. What is the relation of the proposed change to the City's Comprehensive Plan?
3. What effects will the rezoning have on the natural environment, social and economic conditions and property values in the vicinity and the city as a whole?

Development Services-Building Permits

Zoning: Two-family dwelling units is permitted in proposed R-5 (Residential) district. The minimum width of panhandle lot needs to be 12 feet to serve one dwelling unit. Panhandle length does not exceed 200 foot maximum length. Need to show individual site dimensions to determine compliance with lot size and yard standards.

Landscaping: No comments received

Development Services-Planning

Current Planning: The 2025 General Land Use designation for the property is **Mixed Use** in the **Northwest** Planning area. The proposed R-5 (Residential) zone is compatible with adjacent land uses. Planning recommends approval of the proposed rezoning from C-3 to R-5.

Land Development: Site is not located within a Special Flood Hazard Area, Flood Zone (s) **B**, "**Areas**

between 100-year and 500-year flood or certain areas subject to 100-year flooding with average depths less than one foot or where the contributing drainage area is less than one square mile, or areas protected by levees from the base flood. Panel 480241 0027 D. The following will be required at the time of development:

- ADA accessible sidewalks, wheel chair ramp(s), and driveways
- Grading plan and permit
- Drainage plans must be approved by the Development Services, Engineering Division
- Storm Water Pollution Plan and/or permit.

CITY CLERK DEPT.
