

**CITY OF EL PASO, TEXAS**  
**AGENDA ITEM DEPARTMENT HEAD'S SUMMARY FORM**

**DEPARTMENT:** General Services

**AGENDA DATE:** September 25, 2012

**CONTACT PERSON/PHONE:** STUART ED, GENERAL SERVICES DIRECTOR, 621-6822  
BRUCE D. COLLINS, PURCHASING MANAGER, 541-4313

**DISTRICT (S) AFFECTED:** ALL

**SUBJECT:**

APPROVE a resolution / ordinance / lease to do what? OR AUTHORIZE the City Manager to do what? Be descriptive of what we want Council to approve. Include \$ amount if applicable.

The General Services Department recommends the award of solicitation 2012-234 to Beebe Environmental LLC of Beaumont, TX for the purchase of one (1) Landfill Alternate Daily Cover Machine. Total purchase price is \$68,890.00.

**BACKGROUND / DISCUSSION:**

Discussion of the what, why, where, when, and how to enable Council to have reasonably complete description of the contemplated action. This should include attachment of bid tabulation, or ordinance or resolution if appropriate. What are the benefits to the City of this action? What are the citizen concerns?

The General Services Department is recommending the award of the above purchase to Beebe Environmental, LLC who was the lowest, responsive, responsible bidder. Using the Alternate Daily Cover unit will help airspace conservation by reducing the thickness of cover material required in the landfill. When standard soil is used as daily cover, the minimum required thickness is 6-inches and actual thickness is often more once applied. The use of a spray-on alternate daily cover will substantially save air space and extend the life of the existing landfill capacity. The unit will also be used to apply erosion control materials and hydromulch.

**PRIOR COUNCIL ACTION:**

Has the Council previously considered this item or a closely related one?

No.

**SELECTION SUMMARY:**

This solicitation was advertised on July 3, 2012 and July 10, 2012, and opened on July 25, 2012. On July 3, 2012, postcards were mailed out, the solicitation was posted on the City's website on and the email (Purmail) notification was sent out. One (1) local bidder was solicited and one (1) local bidder responded.

**AMOUNT AND SOURCE OF FUNDING:**

How will this item be funded? Has the item been budgeted? If so, identify funding source by account numbers and description of account. Does it require a budget transfer?

Department #334 - Account #580290 - Fund #3150 - Division #34060 - Project #PSWM00170 -  
Environmental Services Department
