SUBJECT:

Award the following solicitation: 2010-247 – Mobile Desktop Live Scan Systems
To: Identix Incorporated of Bloomington, MN
Total Estimated Award: \$80,000.00

BACKGROUND / DISCUSSION:

The Police Department is recommending the award of the above bid. Identix Incorporated was the bidder offering the Best Value to the City. This bid is for the purchase of table top live scan machines to be used in the juvenile offender processing areas at the following Police Department regional commands: Northeast, Westside, Mission Valley and Pebble Hills. The machines allow for taking fingerprints electronically. The machines will transmit automatically to the Police Department's existing Automated Fingerprint Identification System (AFIS), as well as to the Juvenile Probation Department (JPD). Processing fingerprints electronically increases accuracy of obtained fingerprints and saves time, paper and ink. The Police Department is already using such machines in all adult offender processing areas. The Police Department purchased seven full cabinet live scan capturing devices from L-1 (Identix) in September of 2008. We also have a 5 year maintenance contract with them. Their technicians were both responsive and experienced in handling all of our concerns. Overall, this vendor has proven to be reliable and professional, and has shown to have the required experience and expertise to fulfill this present solicitation (2010-247).

PRIOR COUNCIL ACTION:

A previous similar purchase (2008-040) was approved by Council for award on December 4, 2007.
