Re: 2010-162 – Grounds Maintenance for El Paso City Parks - Mowing

The General Services Department – Land Management Division recommends the approval of Ledesma's for the purchase of grounds maintenance - mowing as specified in bid #2010-162 which is a best value solicitation. The award per year is \$667,426.25 and the total award is for \$2,002,278.75 over three years.

The evaluation committee members for solicitation #2010-162 were Greg Reynolds, Victor Flores and Frank Luna. Committee members evaluated this bid independently and their cumulative scores were averaged to reflect the points earned in each category. The categories that were evaluated are listed below followed by the point total.

- 1) Cost – 70 points – Evaluated by Purchasing Division
- 2) Reputation and Quality of Bidders's Service – 15 points – Evaluated by Purchasing Division
- 3) Employee Medical Benefits and Incentives – 10 points - Evaluated by Purchasing Division
- 4) Past Relationship/Performance with the City – 5 points - Evaluated by General Services – Land Management Division

For Past Relationship with the City, the committee awarded points based solely on previous performance with the City.

When combining the points awarded for Cost, Reputation and Quality of Service, Employee Medical Benefits and Incentives and Past Relationship/Performance with the City, Ledesma's earned the highest point total on 28 of the 29 groups that were bid. As a result of earning the highest point totals on the majority of the groups, it is recommended that Ledesma's is awarded the contract in its entirety rather than having a split award. Awarding the contract in this manner also allows for more efficient management of the contract.

Emerald Construction Company, EPDS, Green Earth Landscape & Maintenance, Ledesma's, Martinez Irrigation & Landscapes, Inc., MRD Landscape and Maintenance Corp. and Prime Irrigation & Landscape, Inc. were the vendors who competed for the award.

Should you have any questions, please do not hesitate to contact me or our Department Administrative Manager, René Barraza at (915) 621-6831.
