The General Services Department – Fleet Division recommends the approval of A to Z Tire & Battery, Inc. (Bid#2), American Tire Distributors, Broadway Motors dba Bill Williams Tire Center, Martin Tire Company and The Goodyear Tire and Rubber Company for part A (New Tires), RB Wicker Tire & Rubber Company for part B (Re-tread) and Forrest Tire Company for part C (Road Service). Estimated expenditures over three (3) years are \$1,457,725.

The evaluation committee members for solicitation number 2009-224 were René Barraza, Milton Roberts and Edel Romero. Committee members evaluated this bid based on the lowest price for new tires, re-tread service and roadside tire service.

There were a total of ten vendors who submitted bids for the required tire sizes in three separate categories. The Fleet Division recommends splitting the award between seven vendors in the following manner.

1) New Tires

- The committee awarded this category to A to Z Tire & Battery, Inc. (Bid#2), American Tire Distributors, Broadway Motors dba Bill Williams Tire Center, Martin Tire Company and The Goodyear Tire and Rubber Company. These five vendors earned the award based on having the lowest price for the various size categories of tire. As per discussions held by Mr. Stuart Ed and Mr. Terrence Freiburg on September 18, 2009, item #21 was not awarded based on the low usage and expenditures and will be bought using a direct PO once these tires are needed. These are used by the El Paso International Airport.

2) Retread Service

- The committee awarded this category to RB Wicker. This decision was based on having the lowest price as well as being the most responsive by providing a price for all requested tires.

3) Roadside Tire Service

- The committee awarded this category to Forrest Tire. This decision was based on the vendor having the lowest price.

Should you have any questions, please do not hesitate to contact me or our Department Administrative Manager, René Barraza at (915) 621-6831.
