MEMORANDUM

DATE: September 27, 2010

TO: The Honorable Mayor and City Council
Joyce A. Wilson, City Manager

FROM: Andrew Salloum, Planner

SUBJECT: ZON10-00060

The City Plan Commission (CPC) on September 9, 2010, voted **6-0** to recommend **APPROVAL** of the special permit application to allow for infill development with reduced setbacks and parking reduction.

The CPC found that the special permit is in conformance with the Plan for El Paso and that the proposed use is in conformance with the projected 2025 general land use map for the Central Planning Area. The proposed development is compatible with adjacent land uses. The CPC also determined that the special permit protects the best interest, health, safety, and welfare of the public in general; and the special permit will have no effect on the natural environment, social economic conditions, and property values in the vicinity and the city as a whole.

There was no **OPPOSITION** to this request.

NEIGHBORHOOD INPUT

Notice of a Public Hearing was mailed to all property owners within 300 feet of the subject property on August 24, 2010. The Planning Division did not receive any phone calls or letters in support or opposition of the rezoning request.

APPLICATION DESCRIPTION

The applicant is requesting a special permit and detailed site development plan review for an infill development to reduce the rear yard setback from 5 feet to 3.3 feet. The applicant is also requesting a 100% parking reduction for the 6,178 square-foot clinic. The development requires 25 parking spaces and 3 bicycle parking spaces. The applicant is providing 8 parking spaces and 6 bicycle parking spaces. Access to the subject property is proposed from Lisbon Street.

The parking study submitted shows that there are sufficient parking spaces on surrounding streets to satisfy the parking requirements.

PLANNING DIVISION RECOMMENDATION

The Planning Division recommends **APPROVAL** of the special permit and detailed site development plan request as it meets all the requirements of 20.04.150, Detailed Site Development Plan, and 20.04.320, Special Permit.

The Plan for El Paso –City-wide Land Use Goals

All applications for special permit and detailed site development plan shall demonstrate compliance with the following criteria:

- a. Goal: provide a pattern of commercial and office development which best serves community needs and which complements and serves all other land uses
- b. Goal: protect residential areas from incompatible land uses and encroachment which may have a negative impact on the residential living environment.
- c. Goal: preserve, protect, and enhance the integrity, economic vitality, and livability of the city's neighborhoods.
- d. Goal: encourage the provision of neighborhood commercial services which are compatible with a neighborhood's residential character

The purpose of the A-O (Apartment/Office) district is to promote and preserve residential development within the City associated with a landscape more urban in appearance and permitting a mixture of housing types. It is intended that the district regulations allow for medium densities of dwelling units supported by higher intensity land uses located at the periphery of single-family neighborhoods providing that the overall character and architectural integrity of the neighborhood is preserved. The regulations of the districts will permit building types designed for transition from areas of low density residential neighborhoods to other residential areas and certain non-residential uses and support facilities.

Development Coordinating Committee Review

The DCC reviewed and discussed the application for special permit and offered no objections to the Planning Staff's recommendation for **APPROVAL**.

Development Services Department - Building Permits and Inspections Division

Zoning: Plan Review has no objections.

Landscaping: no comments received.

Development Services Department – Land Development

No comments received.

Engineering Department - Traffic Division

- No objection to parking reduction.
- Driveway shall comply with DSC.

Street Department

- No Objection to the Site Plan as revised
- All existing / proposed paths of travel, accessible sidewalks, wheel chair access curb ramps and driveways within public right-of-ways shall be in compliance with current ADA /TAS rules and regulations and Current City of El Paso Design Standards for Construction.

Fire Department

El Paso Fire Department has no objections or adverse comments to the parking reduction.

El Paso Water Utilities

EPWU does not object to this request.

CITY PLAN COMMISSION OPTIONS

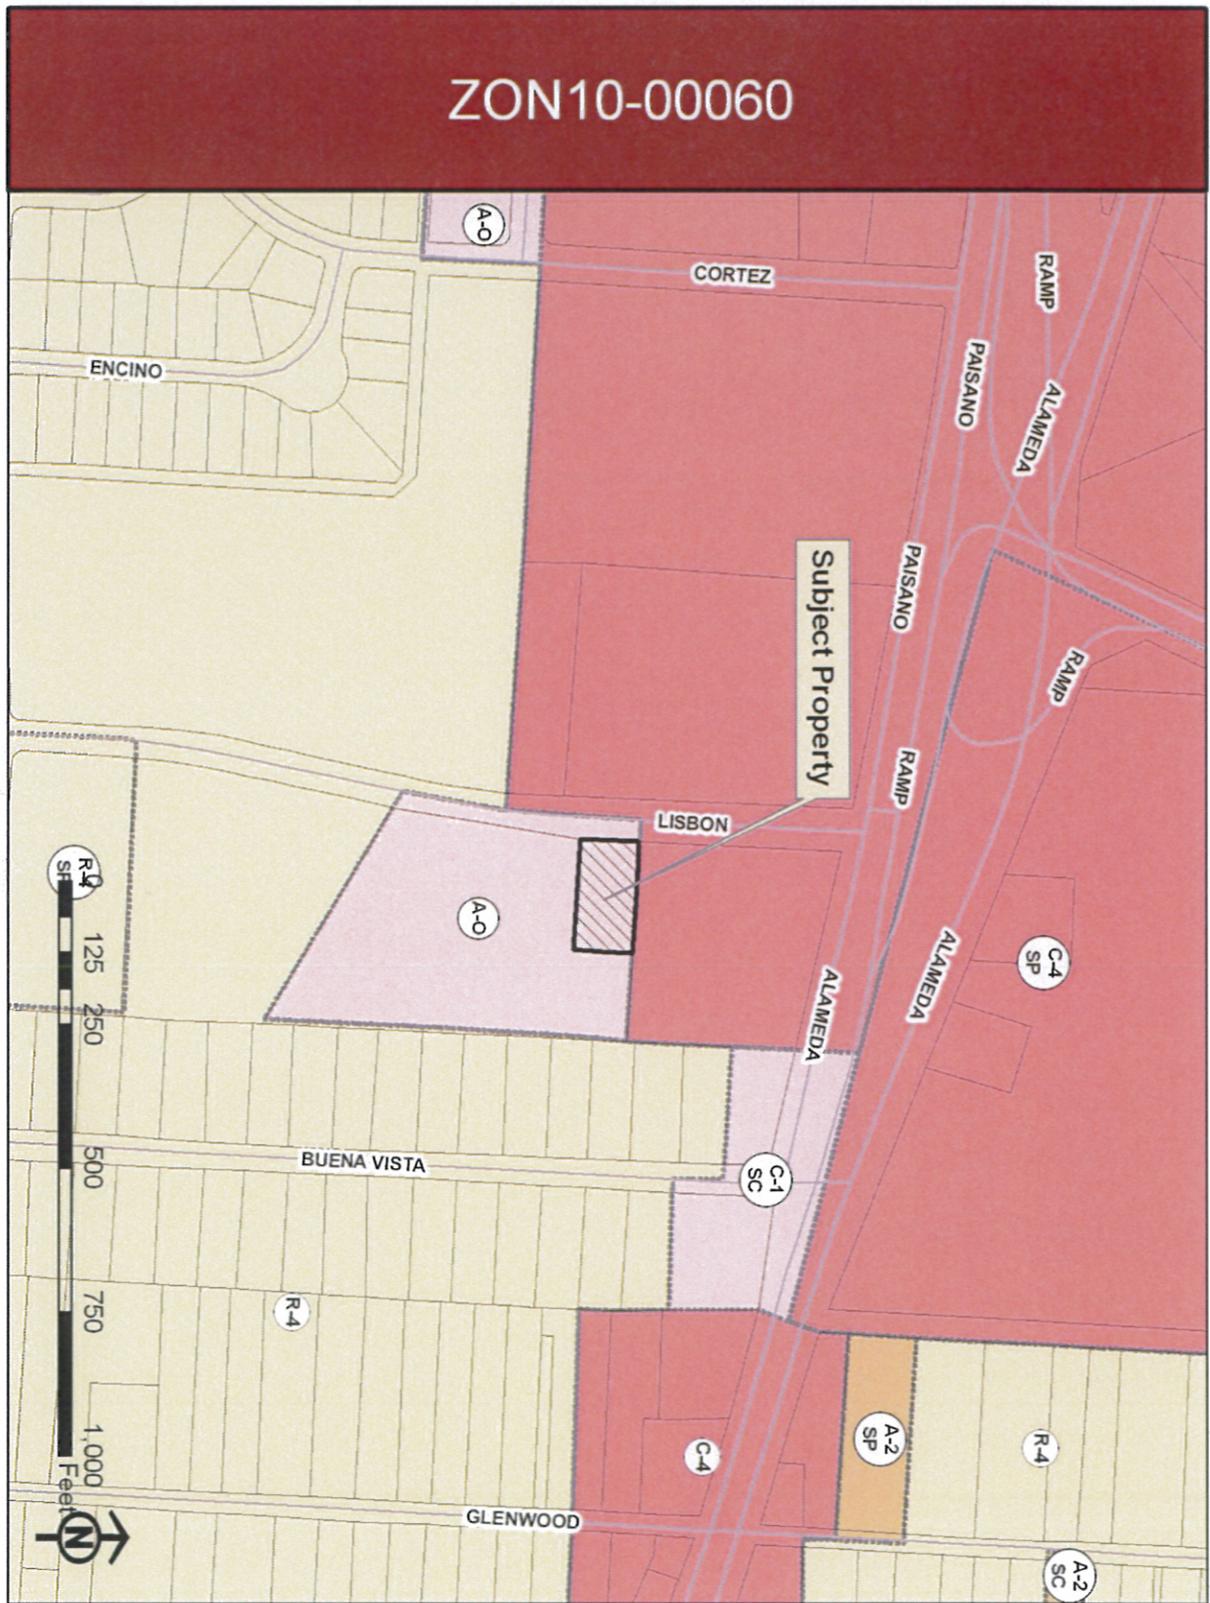

The City Plan Commission may consider the following options and additional options that it identifies when reviewing the special permit and detailed site development plan application:

1. Recommend approval of the application finding that the special permit and detailed site development plan is in conformance with the review criteria of The Plan for El Paso as reflected in CPC report or other criteria that the CPC identifies from the Plan
2. Recommend approval of the application with modifications to bring the special permit and detailed site development plan into conformance with the review criteria in The Plan for El Paso as reflected in CPC report or other criteria from the Plan as identified by the CPC.
3. Deny the application finding that the special permit and detailed site development plan does not conform to the review criteria in The Plan for El Paso as reflected in CPC report or other criteria identified from the Plan by the CPC.
