ITEM # 7

Zoning Case: ZON05-00074

General Information:

The applicant is requesting a rezoning from R-3A/sc (Residential/special contract) to C-3/sc (Commercial/special contract) in order to permit commercial. The property is 0.9563 acres in size and is currently vacant. The subject property is part of a larger parcel of land that was previously rezoned to C-3/sc (Commercial/special contract).

Information to the Commission:

The Planning Department has received **ONE LETTER** of **OPPOSITION** to this application.

Staff Recommendation:

The Development Coordinating Committee (DCC) unanimously recommends **APPROVAL** of this request for rezoning from R-3A/sc (Residential/special contract) to C-3/sc (Commercial/special contract).

The recommendation is based on the following:

The Plan for El Paso City-Wide Land Use Goals recommend that El Paso “provide designated locations for commercial development that do not adversely affect the health, safety and welfare of the community and where essential infrastructure is available to serve the development.”

The Year 2025 Projected General Land Use Map for the Northeast Planning Area designates this property for Mixed-use land uses.

C-3 (Commercial) zoning permits a commercial and **is compatible** with adjacent development.

The Commission must determine the following:

Dear Friend,

In regards to the above mentioned case number, I am against the changing of the zoning on said property from residential to commercial.

With the future plans of a new apartment complex on this property, the changing of the zoning would allow the building of the apartment complex to be in too close proximity to our rear property line. The changing of zoning on this property from residential to commercial may also cause a property devaluation to the affected homeowners due to the close proximity of commercial businesses, noise and crowding conditions.

Sincerely,
