RICHARD MOJICA, CCPM, CCC
ECM International, Inc.

POSITION: Vice President that represents more than \$7 billion in construction related expenditures

YEARS WITH ECM: 28

EDUCATION: University of Texas at El Paso – 1974

MILITARY: US Navy – Vietnam Veteran (2 tours 1968 to 1970)

CERTIFICATION: Certified Construction Project Manager, Certified Construction Consultant

PROFESSIONAL BACKGROUND: Mr. Mojica has been in the construction and project management field for over 32 years. He specializes in site selection, project management, construction management, and facility planning.

Mr. Mojica's experience in total project management provides a unique continuity in project development from the initial concept stage to full operation. This total involvement including planning, budgets, scheduling, construction management, final building acceptance, preventive maintenance, and equipment commissioning is invaluable in understanding the details affecting the successful operation of a process.

Mr. Mojica with ECM has more than 70,000,000 square feet of project and construction management experience that represents more than \$7 billion in construction related expenditures. Recently he managed a \$30 million Plaza Theatre renovation, a \$10 million medical facility upgrade for Texas Tech, and a \$6 million new 911 El Paso County District emergency call center and Emergency Command Center. Currently Mr. is involved in the \$5 billion Ft. Bliss expansion, and the Sun Metro transit terminal expansion for the City of El Paso.
