- Experience** 1991- Present - Garland & Hilles Architects, El Paso, Texas - President. I began in this office as a runner. Other than some time off when I worked at other firms and went to school I worked in this firm. I did every position when I was in High School I was a runner and print boy. During College I did some construction observation as an intern. When I graduated I starting working for this firm as a draftsman. I gradually worked my way up but in 1989 the office was very slow and I had to leave the firm for a few years and worked for BKM Architects where I became a project manager. I came back to Garland & Hilles became an architect in 2003 then became president in 2006.
- 1989-1991 BKM Architects - Project manager, worked on construction documents and specifications and did construction observation.
- 1987-1989 Garland & Hilles Architects - Draftsman, Straight out of school I was trained to do simple details and learned Computer Aided Design.
- 1982 - 1987 University of Texas at Austin - I earned a degree in Architectural Engineering with a minor in Architecture.
- My experience includes: My experience spans the gannet in architecture with experience from drafting, Computer Aided Design, BIM, Green Building design such as LEED and Green Globes, Engineering experience with practical experience under a registered engineer Jose Vasquez, Construction documents, Life Safety and codes. I also have extensive knowledge in Computers, Graphic Arts and 3d Animation and Design.
