**Interest to volunteer my services to the city of El Paso stem from the many quality of life benefits all citizens are currently receiving from the decisions and commitment made by past and present civic leaders. My decision to apply as a board member of the city parks and recreation is based on my love for sports, family values, child development programs, spiritual, social and physical well being of senior citizens.**

As a federal employee at White Sands Missile Range developed customer service oriented teams that helped the range win first prize of one million dollars for being the best small installation in the USA. The second year, won again and earned two million dollars which were spent in quality of life facilities.**

**In private business started TQM Consultants and the Texas Offender Education Programs here in El Paso and built the business to where an average eight hundred students per month attended classes. Upon retirement in 2002 at age 65 my wife Yolanda Baeza Uranga and I concentrated our efforts in real estate and now enjoy properties in Jeff Davis, Presidio and El Paso counties.**

**My leisure time is spent in physical activities all year round such as swimming, running, bicycling, volunteer in St Lukes Catholic Church, Polly Harris Senior Citizens Center and serve in a committee to select the El Paso Athletic Hall of Fame inductee, RV traveling, cruises and touring Europe and South America.**
