For the Project known as "MECHANICAL ENGINEERING SERVICES", hereinafter referred to as the "Project", the Consultant shall provide the Basic and Additional Services as noted herein.

BASIC SERVICES OF THE CONSULTANT

GENERAL

1. The Consultant agrees to perform professional services in connection with the Project as hereinafter stated.
2. The Consultant shall comply with the City of El Paso Engineering and Construction Management Department Construction Document Guidelines, which are in effect at the time of this Agreement and are available in the City Engineering Department, in the performance of the services requested under the design phases of this Agreement.
3. The Consultant shall serve as the Owner's professional representative in those phases of the Project to which this Agreement applies, and shall give consultation and advice to the Owner during the performance of services.
4. The Owner is relying upon the skill, reasonable care and knowledge of the Consultant to furnish the Owner with a project within the allocated budget. The Owner's review of any documents prepared by the Consultant is only general in nature and its obligation to approve and accept the work in no way relieves the Consultant of responsibility for any specific deficiencies in the project.

REPORT PHASE

1. Upon receipt of the Owner's written authorization to proceed with the **Report Phase**, the Consultant shall:
 - a. Consult with the Owner to determine the requirements of the Project and together with the Owner develop a mutually acceptable scope for the Project.
 - b. Provide preliminary investigations, studies, topographic surveys including ties to known monuments of right-of-way lines, general supervision of any other services obtained as described in Part 1.c. of this section and interpreting or incorporating results of any such services for inclusion in the Preliminary Study and Report referred to in Part 1.d. of this section.
 - c. (1) Provide consultation and advice as to the necessity of providing or obtaining other services such as: (a) Property surveys, boundary surveys, right-of-way surveys, and

utility surveys, (b) Core borings, probings, and hydrographic surveys, (c) Laboratory testing, and (d) Inspection or other special consultation; (2) Act as the Owner's representative in connection with such services; and (3) If concurred with and authorized by the Owner, provide, procure, or assist in procuring such Additional Services.

d. Prepare a Preliminary Study and Report on the Project based on the mutually accepted program in sufficient detail to indicate clearly the problems involved and the alternative solutions available to the Owner, to include schematic layouts, sketches, flow diagrams and reports of studies, and a general opinion of probable construction costs for such of the above listed improvements to be included in the Project, and to set forth the Consultant's recommendations.

e. As per Attachment "D", furnish the Preliminary Study and Report and a general opinion of probable construction cost opinion to the Owner.

2. Upon receipt of the Preliminary Study and Report and before the Consultant is authorized to proceed with the Preliminary Design Phase, the Owner at its option may designate in writing various construction contracts into which the Project shall be divided, each of which may include one or more of the above listed improvements to be constructed. If the Owner designates various construction contracts into which the Project is to be divided, the Consultant shall thereafter treat each construction contract as a separate Project under this Agreement. Each construction contract shall be separately bid and the Consultant shall prepare separate preliminary design, and final design drawings, specifications, proposal forms, notices to bidders, construction contract documents, and other required documents for each construction contract.
3. As identified in the Scope of Work in Attachment "A", the Consultant shall investigate the extent and character of any potential soil or water contamination on the properties identified in the Scope of Work, conduct asbestos investigations, environmental site assessments, and provide other environmental engineering services as required and authorized. Services not included in the original scope of work shall be considered Additional Services. The Consultant shall perform such professional services as may be necessary to accomplish the work required to be performed under this Agreement, in accordance with this Agreement, applicable Texas Commission on Environmental Quality and Texas Department of State Health Services Regulations, and any and all applicable state, federal and local laws. The Consultant shall develop an Investigation Plan for the identified properties. Upon approval of the Investigation Plan by the City, the City shall arrange to issue a Notice to Proceed for the Consultant to proceed in relation to an identified property.

PHASE I - PRELIMINARY DESIGN PHASE

ATTACHMENT "C"
CONSULTANT'S BASIC AND ADDITIONAL SERVICES

Upon receipt of the Owner's written authorization to proceed with the **Preliminary Design Phase**, the Consultant shall do the following separately for each construction contract:

1. Consult with the Owner to determine the Owner's requirements for the Project.
2. Provide at the Consultant's sole expense right-of-way surveys, boundary surveys, topographic surveys, drainage surveys, and soil investigations as needed to design the Project and as required by the Scope of Work of the Agreement; obtain all available information from all utility companies and other affected agencies including, but not limited to, the Texas Department of Transportation and the U.S. Department of Interior, Bureau of Reclamation, as needed to complete the proper design. This does not, however, include property surveys and legal descriptions as needed to acquire additional right-of-way or additional property.
3. Obtain all available horizontal and vertical locations of public utilities, and fully coordinate design of the Project with public utilities in an effort to minimize relocation of utilities as much as possible.
4. Make drawings from field measurements of existing construction when required for planning additions or alterations thereto.
5. Provide consultation and advice as to the necessity of providing or obtaining other services such as the types described herein, and act as the Owner's representative in connection with any such services, and if concurred with and authorized by the Owner, provide, procure, or assist in procuring such Additional Services.
6. Review with the Owner alternative approaches in regard to the construction of the Project. The Owner at its option may designate in writing various construction contracts into which the Project shall be divided. The Consultant may request additional reasonable compensation if the Owner designates various construction contracts into which the Project is to be divided. The Consultant shall thereafter treat each construction contract as a separate Project under this Agreement. Each construction contract shall be separately bid and the Consultant shall prepare separate preliminary design, pre-final design, and final design specifications, proposal forms, notices to bidders, construction contract documents, and other required documents for each construction contract.
7. Prepare for approval by the Owner preliminary design documents consisting of evaluation of existing structural report, design criteria, drawings, and outline specifications to develop, and establish the scope of each construction contract.

ATTACHMENT "C"
CONSULTANT'S BASIC AND ADDITIONAL SERVICES

8. Prepare a detailed opinion of probable construction costs for each construction contract containing the main construction components, based on the information given in the preliminary design documents.
9. As per **Attachment "D"**, furnish copies of the above preliminary design documents and opinion of probable construction costs for each construction contract. If the above preliminary design documents are not approved by the Owner, the Consultant shall furnish copies of the resubmitted preliminary design documents at no additional cost to the Owner.

PHASE II - PRE-FINAL DESIGN PHASE

Upon receipt of the Owner's written authorization to proceed with the Pre-Final Design Phase, the Consultant shall do the following separately for each construction contract:

1. Prepare required documents and assist the Owner in obtaining approval of such governmental authorities as may have jurisdiction over the design criteria applicable to each construction contract. The Consultant's assistance in obtaining such approvals shall include participation in submissions to and negotiations with the appropriate authorities. The Consultant shall be fully responsible for coordination with all utility companies to resolve conflicts pertaining to location of utility lines and shall exercise customary and usual professional care for obtaining utility clearances. Since some utility locations may not be recorded or mapped, additional efforts to locate utilities maybe required as an additional service upon written approval of the Owner.
2. On the basis of the approved preliminary design documents and subject to approval of design criteria, prepare for incorporation in the construction contract documents detailed drawings and plans, hereinafter called the "**Drawings**," to show the character and scope of the work to be performed by construction contractors on each construction contract, instructions to bidders, general conditions, special conditions, and technical provisions, hereinafter called "**Specifications**." These plans shall include the required cross sections from actual fieldwork for estimated earthwork quantities.
3. Advise the Owner of any adjustment to the Consultant's previous opinion of probable construction costs for each construction contract caused by changes in scope, design requirements, general market conditions, or construction costs and furnish a revised opinion of probable construction costs, based on the completed Drawings and Specifications. The Consultant expressly authorizes any person designated by the Owner to review at any time prior to the Bidding Phase any opinion of probable construction costs made by the Consultant. The Consultant agrees to cooperate fully in such review, and shall furnish the access to all pertinent information upon which the Consultant's cost opinions were based. In addition, detailed estimates to include orderly presented takeoff

sheets, summary and main summary sheets are to be provided to the Owner. Nothing in this provision shall be construed as limiting or waiving the right of the Owner to obtain such information at any other time, or as relieving the Consultant of the responsibility of preparing opinions of probable construction costs. The Owner understands that the Consultant has no control over the cost of availability of labor, equipment, market conditions, or the contractor's method of pricing and that the Consultant's opinion of probable construction costs are made on the basis of professional judgment and experience. The Consultant makes no warranty that the bids will not vary from the opinion of probable construction costs.

4. Prepare proposal forms.
5. As per **Attachment "D"**, furnish to the Owner copies of the Drawings for review by the Owner, other governmental authorities, and the public utilities. If the Drawings are not approved by the Owner, the Consultant shall furnish copies of the resubmitted Drawings at no additional cost to the Owner. Furnish to the Owner copies of the Specifications and copies of the design analysis showing all engineering calculations for review by the Owner, other governmental authorities who may have jurisdiction over each construction contract, and the public utilities.

PHASE III - FINAL DESIGN PHASE

Upon receipt of the Owner's written authorization to proceed with the Final Design Phase, the Consultant shall do the following separately for each construction contract:

1. Incorporate changes requested by the Owner and other governmental authorities after review of pre-final design documents and perform redesign necessitated by public utility conflicts.
2. Coordinate closely with utility companies during the Preliminary Design and Pre-Final Design Phases. The amount of redesign necessary to accommodate utility company comments on the pre-final design drawings is expected to be in proportion to the effectiveness of that coordination and is to be performed by the Consultant as part of the Final Design Phase of this Agreement. The Consultant shall obtain written utility clearance from all utility companies affected by the scope of this Project as part of the Final Design Phase of this Agreement.
3. Submit to the Texas Department of Licensing and Regulation, or a State Certified ADA consultant, a set of Final Design Drawings for ADA review and approval.

BIDDING PHASE

Upon receipt of Owner's written request, the Consultant shall provide any of the following services during the Bidding Phase:

1. Assist the Owner in the determination of the bidding period and bid date and provide necessary data for preparation of the notice to bidders by the Owner as required for advertising purposes.
2. Assist the Owner in responding to all questions from prospective bidders concerning the Drawings and Specifications.
3. Attend a pre-bid conference, if any, to explain the Project and to answer questions regarding the Project.
4. Prepare addenda to the Drawings and Specifications as may be required during the advertising period. Any addenda issued shall be approved by all agencies having approval authority over the Drawings and Specifications. As per Attachment "D", deliver copies of all addenda to the Owner for appropriate action.
5. As identified in Attachment "A", assist the Owner in evaluating bids, including obtaining and providing to the Owner reasonably available information as to the quality, ability, and performance record of the three lowest responsible bidders or assist the Owner in rating all bidders using Best Value Evaluation Criteria provided by the Owner, including obtaining and providing to the Owner reasonably available information as to the quality, ability, and performance record of the bidders. If Best Value Evaluation Criteria are required after the consulting fees have been negotiated and accepted, Consultant may request Additional Services fees.
6. Advise the Owner concerning the acceptability of subcontractors and other persons and organizations proposed by the general construction contractor for those portions of the work for which such acceptability is required by the construction contract documents.

CONSTRUCTION PHASE

1. Attend the pre-construction conference to assist the Owner in responding to all questions from the construction contractor.
2. Advise and consult with the Owner and act as the Owner's representative as provided in the general conditions of the Agreement included in the construction contract. Such general conditions shall be the Owner's standard general conditions for construction projects, with such changes and modifications as may be made in such general conditions being agreed to by both the Consultant and the Owner.
3. Unless otherwise stipulated in Attachment "A", Scope of Services, the Consultant will stake one set of control stakes for the construction contractor.
4. Visit each construction site at least once each week or more frequently, if necessary, to observe the progress and quality of the executed work and to determine if such work meets the essential performance and design features and the technical and functional requirements of the construction contract documents. The Consultant shall provide the Owner with typed or printed field notes for each construction site visit. On the basis of these on-site observations, the Consultant shall endeavor to guard the Owner against apparent defects and deficiencies in the permanent work constructed by the construction contractor. The Consultant shall not be required to make exhaustive or continuous on-site inspections to check the quality or quantity of the work, and shall not be responsible for the construction means, methods, techniques, sequences, or procedures, or the safety precautions incident thereto. The Consultant's efforts shall be directed toward providing assurance for the Owner that each completed construction contract shall conform to the engineering requirements of the construction contract documents. However, the Consultant shall not be responsible for the construction contractor's failure to perform the construction work in accordance with the construction contract documents.

Nothing in this Agreement shall be construed as requiring the Consultant to assume responsibility for or to guarantee the complete adherence of the construction contractor to the Drawings and Specifications and the construction contract documents.

5. Review shop drawings diagrams, illustrations, brochures, catalog data, schedules, and samples, the results of tests and inspections and other data which the construction contractor is required to submit, for conformance with the design concept of each construction contract and compliance with the information given in the construction contract documents. **Such review must be complete within ten City working days following receipt of submittal documents.** The Consultant shall also assemble

The Consultant shall require, as the Owner's representative and subject to the written concurrence by the Owner, special inspection or testing of the work, whether or not fabricated, installed, or completed and shall act as interpreter of the terms and conditions of the construction contract documents, subject to the Owner's interpretation of such terms and conditions. If the Owner authorizes such testing, it shall be addressed under the provisions of Additional Services of the Consultant.
7. Based on the Consultant's on-site observations as an experienced and qualified design professional and on review of the construction contractor's applications for payment and supporting data, determine the amount owing to the construction contractor and recommend in writing payment to the construction contractor in such amounts; such recommendation of payment to constitute a representation to the Owner, based on such observations and review, that the work has progressed to the point indicated and that, to the best of the Consultant's knowledge, information and belief, the quality of the work is in accordance with the construction contract documents, subject to an evaluation of the work as a functioning project upon substantial completion, to the results of any subsequent tests called for in the construction contract documents and to any qualifications stated in his approval. By recommending an application for payment, the Consultant shall not be deemed to have represented that the Consultant has made any examination to determine how or for what purposes the construction contractor has used the monies paid on account of each construction contract price.
8. Conduct with the Owner and construction contractor no more **than two brief preliminary inspections**, at times requested by the construction contractor to determine if the Project is ready for final inspection.
9. Schedule and conduct with the Owner, including representative of the City Engineer and the user department, the State ADA inspector or State certified ADA consultant, and the construction contractor, a final inspection of the Project and prepare and publish a "punch list" of minor deficiencies to be corrected prior to final payment to the construction contractor. The certificate shall be issued within **two City working days** after the final inspection.
11. Monitor and verify proper correction of all punch list deficiencies. Notify the Owner in writing when all deficiencies have been corrected, and when warranty, maintenance, and operating instructions and other documents have been submitted by the construction contractor. Act on and forward the construction contractor's final invoice for payment.

23. Provide additional or extended services during construction made necessary by: **a)** work damaged by fire or other cause during construction; **b)** prolongation of the construction contract time by more than **twenty-five percent** provided that such prolongation is not caused by errors, negligence, or other fault on the part of the Consultant; **c)** Acceleration of the work schedule involving services beyond normal city working hours; or **d)** the construction contractor's default under the construction contract due to delinquency or insolvency.
24. Provide extensive assistance in the initial start-up and test operation of equipment or devices and the preparation of manuals of operation and maintenance.
25. Serve as an expert witness for the Owner in any litigation or other proceeding involving the Project.

COMMERCIAL UMBRELLA PLUS COVERAGE PART

Various provisions in this policy restrict coverage. Read the entire policy carefully to determine rights, duties and what is and is not covered.

Throughout this policy the words "you" and "your" refer to the Named Insured identified under **SECTION II – WHO IS AN INSURED** of this policy.

The word "insured" means any person or organization qualifying as such under **SECTION II – WHO IS AN INSURED**.

The words "we," "us" and "our" refer to the Company providing this insurance.

Other words and phrases that appear in quotation marks have special meaning. Refer to **SECTION V – DEFINITIONS**.

SECTION I – COVERAGES

1. Insuring Agreement

We will pay on behalf of the insured those sums in excess of "scheduled underlying insurance," "unscheduled underlying insurance" or the "retained limit" that the insured becomes legally obligated to pay as "ultimate net loss" because of "bodily injury," "property damage" or "personal and advertising injury" to which this insurance applies.

a. This insurance applies to "bodily injury" and "property damage" only if:

- (1) The "bodily injury" or "property damage" is caused by an "incident" anywhere in the world;
- (2) The "bodily injury" or "property damage" occurs during the policy period; and
- (3) With respect to "bodily injury" or "property damage" that continues, changes or resumes so as to occur during more than one policy period, both of the following conditions are met:

- (i) Prior to the policy period, no "authorized insured" knew that the "bodily injury" or "property damage" had occurred, in whole or in part; and
- (ii) During the policy period, an "authorized insured" first knew that the "bodily injury" or "property damage" had occurred, in whole or in part.

For purposes of this Paragraph (1) a.(3) only, if (a) "bodily injury" or "property damage" that occurs during this policy period does not continue, change or resume after the

termination of this policy period; and (b) no "authorized insured" first knows of this "bodily injury" or "property damage" until after the termination of this policy period, then such first knowledge will be deemed to be during this policy period.

- b. "Bodily injury" or "property damage" which occurs during the policy period and was not, prior to the policy period, known to have occurred by any "authorized insured" includes any continuation, change or resumption of that "bodily injury" or "property damage" after the end of the policy period.
- c. "Bodily injury" or "property damage" will be deemed to have been known to have occurred at the earliest time when any "authorized insured":
 - (1) Reports all, or any part, of the "bodily injury" or "property damage" to us or any other insurer;
 - (2) Receives a written or verbal demand, claim or "suit" for damages because of the "bodily injury" or "property damage"; or
 - (3) Becomes aware by any other means that "bodily injury" or "property damage" has occurred or has begun to occur.
- d. This insurance applies to "personal and advertising injury" caused by an "incident" committed anywhere in the world during the policy period.

If we are prevented by law, statute or otherwise from paying on behalf of the insured, then we will indemnify the insured for those sums that the insured is legally obligated to pay as "ultimate net loss" because of "bodily injury," "property damage" or "personal and advertising injury" to which this insurance applies.

2. Exclusions

This Insurance does not apply to:

a. Expected or Intended Injury

"Bodily injury" or "property damage" expected or intended from the standpoint of the insured. This exclusion does not apply to "bodily injury" resulting from the use of reasonable force to protect persons or property. This exclusion does not apply to Employers Liability claims for "bodily injury" covered by "scheduled underlying insurance."

b. Contractual Liability

"Bodily injury," "property damage" or "personal and advertising injury" for which the insured is obligated to pay damages by reason of the

40020008940164700982593

- (1) That the insured would have in the absence of the contract or agreement; or
- (2) Because of "bodily injury" or "property damage" assumed in a contract or agreement that is an "insured contract," provided the "bodily injury" or "property damage" occurs subsequent to the execution of the contract or agreement.

c. "Personal and advertising injury" Exclusions

"Personal and advertising injury":

- (1) Caused by or at the direction of the insured with the knowledge that the act would violate the rights of another and would inflict "personal and advertising injury";

- (3) Arising out of oral or written publication of material whose first publication took place before the beginning of the policy period;

- (10) Arising out of an electronic chatroom or bulletin board the insured hosts, owns, or over which the insured exercises control; or
- (11) Arising out of the unauthorized use of another's name or product in your e-mail address, domain name or metatag, or any other similar tactics to mislead another's potential customers.

1. Named Insured means any individual or organization stated in the Declarations of this policy and if you are designated in the Declarations of this policy as:

- a. An individual, you and your spouse, but only with respect to the conduct of a business of which you are the sole owner.

If you are designated in the Declarations of this policy as an individual, this policy shall not apply to liability arising out of your domestic or non-business activities. This does not apply to the ownership, maintenance, use or "loading or unloading" of any "automobile," or to the Personal Umbrella Liability Coverage Part.

- b. A partnership or joint venture, you and your members, your partners, and their spouses, but only with respect to the conduct of your business.

No person or organization is an insured with respect to the conduct of any current or past partnership or joint venture that is not shown as a Named Insured in the Declarations.

- c. An organization other than a partnership or joint venture, you and your executive officers and directors, but only with respect to their duties as your officers or directors. Your stockholders are also named insureds, but only with respect to their liability as stockholders.

- d. A limited liability company, you and your members, but only with respect to the conduct of your business. Your managers are also named insureds but only with respect to their duties as your managers.

Lombrella

No person or organization is an insured with respect to the conduct of any current or past limited liability company that is not shown as a Named Insured in the Declarations.

- e. A corporation or organization, other than partnerships, joint ventures or limited liability companies, that you form, acquire or gain control of during the policy period, but only with respect to "bodily injury," "property damage" or "personal and advertising injury" taking place after you form, acquire or gain control of such corporation or organization.

2. Insured means the Named Insured and:

- a. Your "volunteer workers" only while performing duties related to the conduct of your business, or your employees, other than your executive officers and directors (if you are an organization other than a partnership, joint venture or limited liability company) or your members (if you are a limited liability company) but only for acts within the scope of their employment by you or while performing duties related to the conduct of your business. However, none of these employees or "volunteer workers" is an insured for:

(1) "Bodily injury" or "personal and advertising injury":

- (a) To you; to your partners or members (if you are a partnership or joint venture) to your members (if you are a limited liability company) or to a co-employee while in the course of his or her employment or performing duties related to the conduct of your business, or to your other "volunteer workers" while performing duties related to the conduct of your business;

- c. Any other persons or organizations included as an insured under the provisions of the "scheduled underlying insurance" shown in the Declarations of this policy and then only for the same coverage, except for limits of insurance, afforded under such "scheduled underlying insurance."

 - b. To which, and in the same manner, an aggregate limit applies under "scheduled underlying insurance" other than "ultimate net loss" included in the "products-completed operations hazard"; and

The Aggregate Limit does not apply to "ultimate net loss" for which no aggregate limit applies in the "scheduled underlying insurance."

- a. Judgment against you after actual trial; or
- b. Written agreement between us, you and the claimant.

4. Other Insurance

This insurance is excess over and will not contribute with any other insurance available to the insured whether such other insurance is stated to be primary, contributory, excess, contingent or otherwise. This condition does not apply to insurance purchased specifically to apply in excess of this insurance.

5. Premium Audit

- a. We will compute all premiums for this policy in accordance with our rules and rates.
- b. If the premium is shown in the Declarations as flat, the premium for this policy is not subject to adjustment.
- c. If the premium is shown in the Declarations as adjustable, the premium shown as the advance premium is a deposit premium only. At the close of each audit period we will compute the earned premium for that period. Audit premiums are due and payable on notice to the first Named Insured shown in the Declarations. If the sum of the advance and audit premiums paid for the policy term are greater than the earned premium, we will return the excess, subject to the minimum premium, to the first Named Insured shown in the Declarations.
- d. The first Named Insured shown in the Declarations must keep records of the information we need for premium computation, and send us copies at such times as we request.

6. Nonrenewal

If we decide not to renew this policy, we will mail or deliver to the first Named Insured shown in the Declarations written notice of the nonrenewal not less than 30 days before the expiration date.

If notice is mailed, proof of mailing will be sufficient proof of notice.

7. Severability of Interests

The insurance afforded applies separately to each insured against whom claim is made or "suit" is

brought. However, the inclusion of more than one insured shall not operate to increase the limits of insurance.

8. Annual Rating

If this policy is issued for a period in excess of one year, the premium may be revised on each annual anniversary in accordance with our rates and rules in effect at that time.

9. "Scheduled Underlying Insurance"

Material change in premium for "scheduled underlying insurance" shall be promptly reported to us. Premium for this policy may be adjusted to reflect changes in underlying insurance in accordance with our manuals in effect at the time of the change.

10. Maintenance of "Scheduled Underlying Insurance"

While this policy is in force you agree that the policies listed in the Declarations as "scheduled underlying insurance" and their renewals and replacements shall be maintained, without alterations of terms or conditions, in full effect during the term of this policy; except for reduction or exhaustion of the aggregate limits of insurance in the "scheduled underlying insurance," provided that such reduction or exhaustion is solely the result of "incidents" taking place during this policy period, and not before. If you fail to maintain "scheduled underlying insurance," this condition shall not invalidate this policy. However, in the event of such failure, we will only be liable to the same extent as if you had complied with this condition.

11. Appeals

If you or your "underlying insurers" elect not to appeal a judgment in excess of the limits of insurance afforded by the:

- a. "Scheduled underlying insurance";
- b. "Unscheduled underlying insurance"; or

Where the "underlying insurers" terminate their liability to pay interest on the judgment by an offer to pay their limits, you shall demand that such limits be paid. If the appeal is successful, such amounts not obligated to be paid shall be returned to such "underlying insurer."

12. Subrogation

In the case of any payments by us under the coverages of this policy, we shall be subrogated to all rights of recovery against any other party which you may have and will cooperate with you and all other interests. Amounts recovered shall be apportioned in the following order:

- a. Amounts paid in excess of the payments under this policy shall first be reimbursed up to the amount paid by those, including you, who made such payments;
- b. We are then to be reimbursed up to the amount we paid;
- c. Any remainder shall be available to the interests of those over whom this coverage is in excess and who are entitled to claim such remainder.

Expenses necessary to the recovery of such amounts shall be divided between the interests concerned, including you, in the ratio of their respective recoveries as finally settled.

13. Settlement of Claims or Suit

We may pay, but are not obligated to pay, any part or all of the amount of the "retained limit" to effect settlement of a claim or "suit." Upon notification of the action taken you shall promptly reimburse us for such part of the "retained limit" that we had paid. All named insureds are jointly and severally responsible for our reimbursement and agree to make such reimbursement within 30 days after we give you written notice or demand for payment.

14. Sole Agent

The insured first named in the Declarations is authorized to act on behalf of all named insureds and other insureds with respect to:
