Specifically, the CITY will maintain the confidentiality of any proprietary information to the extent permitted by law and agrees that, as required by the Public Information Act, it will notify Applicant if a request relating to such proprietary information is received. Applicant represents that it understands that the Public Information Act excepts disclosure of trade secret and confidential commercial

information and that it will need to assert the proprietary interest of Applicant as a basis for nondisclosure.

- H. It is expressly understood and agreed by the parties to this Agreement that if the performance of any obligations hereunder is delayed by reason of war, civil commotion, acts of God, inclement weather, fire or other casualty, or court injunction, the party so obligated or permitted shall be excused from doing or performing the same during such period of delay, so that the time period applicable to such obligation or requirement shall be extended for a period of time equal to the period such party was delayed.
