MEMORANDUM

DATE: October 25, 2007

TO: The Honorable Mayor and City Council
Joyce A. Wilson, City Manager

FROM: Esther Guerrero, Planner

SUBJECT: ZON07-00085

The City Plan Commission (CPC), on September 20, 2007, voted to recommend **APPROVAL** of the special permit to allow off-site/off-street parking to satisfy parking requirements on the subject property, concurring with staff recommendation.

A related special permit request to allow for an 85% parking reduction will also be considered with this request. (See ZON07-00086)

The CPC found that this special permit is in conformance with The Plan for El Paso Citywide land use goals; and the proposed use is in conformance with the Year 2025 Projected General Land Use Map. The CPC also determined that this special permit protects the best interest, health, safety and welfare of the public in general; that the proposed use is compatible with adjacent land uses; and the effects of the special permit will not have an adverse impact on the natural environment, social and economic conditions, and property values in the vicinity and the city as a whole.

General Information

The applicant requests a special permit for Parcel 1 (the future site of Mayapan Social Enterprise Innovation Center) to allow off site parking on Parcel 2 (the Café Mayapan). Parcel 1 requires a total of 144 parking spaces and is currently providing 18, resulting in a shortage of 126 parking spaces. Parcel 2 requires a total of 53 parking spaces and is currently providing 56, an overage of 3 parking spaces. Parcel 2 is not able to provide enough parking spaces to satisfy the parking requirements for Parcel 1. A related special permit for a parking reduction has also been requested and is proposed to satisfy the remaining parking requirements. (See ZON07-00086)

Staff Recommendation

The Development Coordinating Committee (DCC) recommends **approval** of this special permit request.

The recommendation is based on the following:

- **The Plan for El Paso City-Wide Land Use Goals** recommends that El Paso “provide a pattern of commercial development which best serves community needs and which complements and serves all other land uses.”
- **The Year 2025 Projected General Land Use Map** for the Central Planning Area designates this property for **Commercial** land uses.
- **C-4 (Commercial) zoning** permits off site parking by special permit.

Findings

The Commission must determine the following:

1. Will the special permit for off site parking protect the best interest, health, safety and welfare of the public in general?
2. Will the special permit for off site parking be compatible with adjacent land uses?
3. What is the relation of the proposed special permit to the City’s Comprehensive Plan?
4. What effects will the proposed special permit have on the natural environment, social and economic conditions and property values in the vicinity and the city as a whole?
