## POLICE DEPARTMENT

**TO:** Laura Garcia, Strategic Budget Advisor  
**FROM:** Stuart C. Ed, Police Administrative Services Bureau Manager  
**RE:** FY 08 Confiscated Fund Budget Transfer  
**DATE:** October 29, 2007

Funds received from state and federal confiscations must be used to further law enforcement activities. The proposed FY 2008 Confiscated Fund budget will allow the Department to implement essential personnel employment contracts, community outreach and information, technology system solutions, facility improvements, and provide cash match for department grants.

The FY 2008 Confiscated Fund program totals \$3,743,951. In addition to existing programmed funding that remains available from FY 2007, the program requires an additional \$218,569 in state confiscated funds and \$1,586,932.71 in federal confiscated funds to be programmed per the attached budget transfers. Major purchases (greater than \$20,000) for the FY 2008 Confiscated Fund program are summarized below for your convenience:

a. Personnel employment contracts, including:

1. Police Foundation Director first-year contract. The El Paso Police Foundation represents a public/private partnership that was created as a support element to the El Paso Police Department. In an effort to further this mission, and in recognition of the fact that the Foundation is a relatively new creation, Confiscated Funds will be utilized to hire an Executive Director for the Foundation. This would be for a one year period, allowing the Foundation to get off to a healthy and accelerated start after which time the Foundation is required to pick-up all costs associated with the position - \$70,000;
2. Helicopter mechanic contract. Helicopter maintenance support for use on an as-needed basis - \$20,417;
3. Software Applications Manager contract. This position is needed to provide the Department emergency assistance with approximately 30 separate information technology initiatives the department is presently undertaking. The position will provide the experience and knowledge

to understand both the technical and user issues and be able to develop solutions and provide technical support for these systems after implementation focusing on systems interoperability - \$50,000.

4. IT Project Manager. This position is needed to provide the Department emergency assistance with approximately 30 separate information technology initiatives the department is presently undertaking. The position will provide the experience and knowledge to understand both technical and user issues and be able to develop solutions and provide technical support for these systems before and after implementation focusing on project scoping, design, procurement, and implementation - \$70,000.
- b. Community outreach and information, including:
1. Billboard advertising of public service messages - \$40,000;
  2. DARE (Drug Abuse Resistance Education) contribution for public education and outreach to provide El Paso community youth the skills they need to avoid involvement in drugs, gangs, and violence - \$20,000;
  3. Explorer program for uniforms and supplies - \$20,000;
  4. Kids ID Program. Purchase of four child identification card machines for each Regional Command - \$20,000;
  5. Neighborhood Booklets Direct Mail Out. Direct mail out to all homeowners in El Paso to encourage and equip community members to participate in the Neighborhood Watch Program, one of the most proven and effective crime prevention programs in the country - \$200,000;
  6. Gun Buy-Back Program – Match funding to leverage local funds for the purchase of unwanted firearms, accessories and ammunition. The program allows the community to play an active role in getting unwanted guns off the street and out of the hands of potential wrongdoers by reducing the number of firearms in circulation - \$40,000;
- c. technology systems, including:
1. Agency Web - Licensing and maintenance for system software that provides electronic court notification to officers, administrative records management (electronic leave and vacation submittals, organizational charting, and personnel movement tracking), and training records management. - \$20,000;
  2. Integraph Maintenance supporting the department's Records Management System, ILEADS - \$32,800;
