MEMORANDUM

DATE: November 7, 2007

TO: The Honorable Mayor and City Council
Joyce A. Wilson, City Manager

FROM: Esther Guerrero, Planner

SUBJECT: **ZON07-00113**

The City Plan Commission (CPC), on October 18, 2007, voted 7-0 to recommend APPROVAL of rezoning the subject property from R-F (Ranch and Farm) to R-2 (Residential) and imposing a condition. The condition will restrict the maximum density to 2.5 dwelling units per acre in accordance with the Northwest Upper Valley Plan, concurring with staff recommendation.

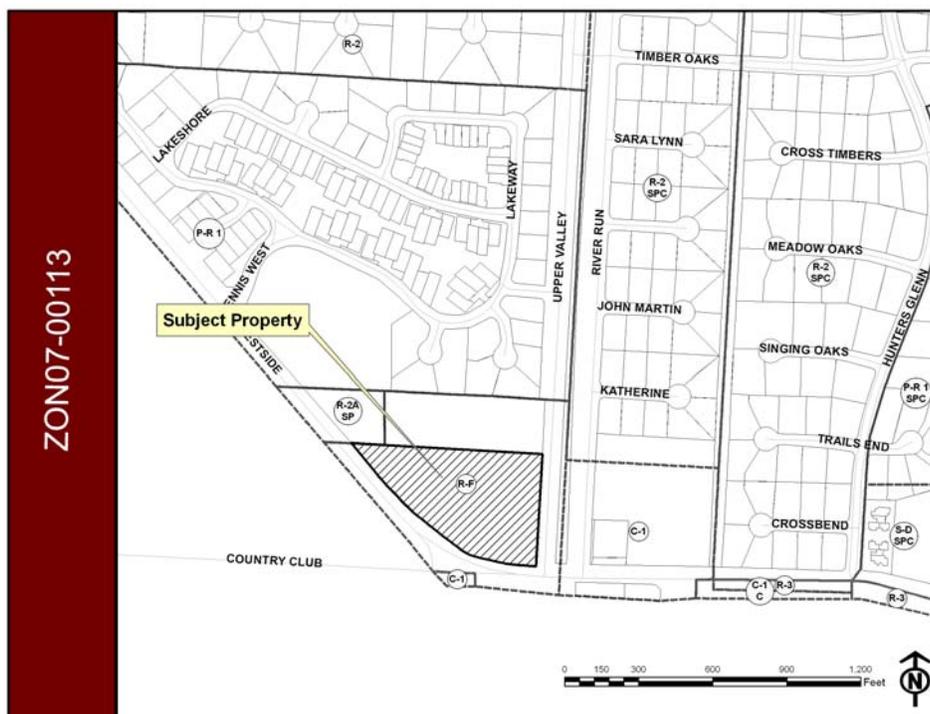

The CPC found that this rezoning is in conformance with The Plan for El Paso; and the proposed use is in conformance with the Year 2025 Projected General Land Use Map. The CPC also determined that this rezoning protects the best interest, health, safety and welfare of the public in general; that the proposed use is compatible with adjacent land uses; and the effects of the rezoning will have no effects on the natural environment, social economic conditions, and property values in the vicinity and the city as a whole.

Attachment: Staff Report

ZON07-00113

Application Type:	Rezoning
Property Owner(s):	SHAB, Inc.

Legal Description:	Tract 2, Block 8, Upper Valley Surveys, City of El Paso, El Paso County, Texas
Location:	Upper Valley Road at Westside Drive

Area:	5.88 acres

Year 2025 Designation:	Residential (Northwest Planning Area)

General Information:

The applicant is requesting rezoning from R-F (Ranch and Farm) to R-2 (Residential) in order to permit single-family residential development. The conceptual site plan shows fourteen single-family lots. Access is proposed via Upper Valley Road. There are no zoning conditions on this property.

Staff Recommendation:

The Development Coordinating Committee (DCC) recommends **APPROVAL** of this request for rezoning from R-F to R-2 with the condition that the density be limited to 2.5 dwelling units per acre in accordance with the *Northwest Upper Valley Plan*.

The recommendation is based on the following:

- **The Plan for El Paso's** Citywide Land-Use Goals recommend that El Paso “provide a wide range of housing types that respond to the needs of all economic segments of the community.”
- The **Year 2025 Projected General Land Use Map** for the Northwest Planning Area designates this property for **Residential** land uses.
- **R-2 (Residential) zoning** permits single-family residential development and **is compatible** with adjacent development.

Findings:

The Commission must determine the following:

1. Will the zoning protect the best interest, health, safety and welfare of the public in general?
2. Will residential development be compatible with adjacent land uses?
3. What is the relation of the proposed change to the City’s Comprehensive Plan?
4. What effect will the rezoning have upon the natural environment social and economic conditions and property values in the vicinity and in the city as a whole?

Re: Notice of Protest - Rezoning Application for 5114 Upper Valley Road
(the "Property")

Dear Ms. Valles:

This letter is sent on behalf of our clients, Charles F. Jordan III and his wife, Linda Jordan, who own property at 5145 Upper Valley Road. We understand that a rezoning application has been received by the City for the rezoning of the above-referenced Property from its current ranch/farm designation to R-2 by Shab, Inc. Our clients are opposed to the rezoning of the property to this density of use.

On January 13, 2004, the City Council approved the Northwest Upper Valley Plan ("Plan") and incorporated the Plan into the Plan for El Paso. The Plan specifically designates the Property as very low density residential. The Property should be rezoned R-1 if a rezoning is approved at all.

Under Section 211.004 of the Local Government Code, a city's "zoning regulations must be adopted in accordance with a comprehensive plan". Therefore, the City's approval of a zoning regulation that fails to follow the Plan violates Section 211.004 and subject to legal challenge. We believe that the pending rezoning case rules afoul of the Plan and as such, under Section 211.004, it should be denied by the City. Further, we believe that Mr. Jordan's property may constitute 20 percent of the area of land within 200 feet of the subject Property, and that approval of any rezoning request must be by a three-quarters majority, pursuant to Section 211.007 of the Local Government Code.

The adoption of the Plan and the incorporation of the Plan into The Plan for El Paso demonstrated the City's commitment to the preservation of the rural aspects of the Upper

The adoption of the Plan and the incorporation of the Plan into The Plan for El Paso demonstrated the City's commitment to the preservation of the rural aspects of the Upper Valley. We urge the City to continue that commitment by denying rezoning application for the Property. Thank you for your attention to this matter. Please do not hesitate to contact me with any questions.

Very truly yours,

Re: Notice of Protest - Rezoning Application for 5114 Upper Valley Road
(the "Property")

Dear Ms. Valles:

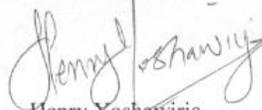

I am sending this letter to protest the above rezoning application. I understand that a rezoning application has been received by the City for the rezoning of the above-referenced Property from its current ranch/farm designation to R-2 by Shab, Inc. This objection is being sent by Flexxi Partners, L.P., which owns approximately eight (8) acres adjacent to the Shab property.

I believe that the proposed rezoning is not in the best interests of the area and that it will have a negative traffic impact on an already congested area. I urge the City to deny the rezoning application for the Property.
