RE: FY 07 Confiscated Fund Budget Transfer
DATE: November 13, 2006

Funds received from state and federal confiscations must be used to further law enforcement activities. The proposed FY 2007 Confiscated Fund budget will allow the Department to continue helicopter operations, purchase major pieces of equipment, rehabilitate existing facilities, upgrade several programs and systems, and provide cash match for department grants.

The FY 2007 Confiscated Fund program totals \$2,704,190. In addition to existing programmed funding that remains available from FY 2006, the program requires an additional \$736,160 in state confiscated funds and \$638,136 in federal confiscated funds to be programmed per the attached budget transfers. Major purchases (\$20,000 or greater) for the FY 2007 Confiscated Fund program are summarized below for your convenience:

a. Personnel employment contracts, including:

1. Two Code Blue Program coordinator contracts to extend the program through August 31, 2007. Coordinators work with school officials with an emphasis on emergency preparedness and crisis emergency planning. Coordinators train school personnel to effectively respond to emergencies before first responders get to a scene. These funds extend the program through the end of the Fiscal Year as existing grant funding is projected to expire in February 2007 - \$28,000 each (\$56,000 total);
2. Helicopter pilot and mechanic contracts for use on an as-needed basis - \$35,000 each (total \$70,000);
3. Applications Manager needed to provide the Department emergency assistance with 29 separate information technology initiatives the department is presently undertaking. The position will provide the experience and knowledge to understand both the technical and user issues and be able to develop solutions and provide technical support for these systems after implementation - \$50,000, and;

4. Events Coordinator to assess the viability of a full-time civilian position replacing uniformed officers presently tasked with orchestrating nationally-acclaimed training seminars (the Women in Law Enforcement Seminar, FBI National Academy Association-Texas Conference) and numerous local events - \$36,000.
- b. Community outreach and Information, including:
 1. Billboard advertising of public service messages - \$40,000;
 2. Promotional electronic sign for Pebble Hills Regional Command - \$30,000;
 3. DARE (Drug Abuse Resistance Education) contribution for public education and outreach to provide El Paso community youth the skills they need to avoid involvement in drugs, gangs, and violence - \$20,000, and;
 4. Explorer program for uniforms and supplies - \$20,000
- c. Information technology systems, including:
 1. Approximately 100 computers to change out old Pentium 150 systems - \$125,000;
 2. CourtNotify licensing and maintenance for system software that provides electronic court notification to officers, administrative records management (electronic leave and vacation submittals, organizational charting, and personnel movement tracking), and training records management. - \$20,000;
 3. WebCT software and licensing for convenient on-line training for Department employees from any location equipped with a computer - \$86,750
 4. Wireless network at the Academy to streamline new recruit and in-service Academy training - \$30,000, and;
 5. Automatic Vehicle Locator computer station at each Regional Command and Internal Affairs to facilitate improved command and control of police vehicle deployment in the field - \$49,000;
- d. Facility improvements, including:
 1. Blood Alcohol Test Program facility rehab of available space at the Northeast Municipal Complex. Development of approximately 2100 square feet of available space into a regional blood alcohol testing facility and training center - \$456,000;
 2. Furniture and fixture upgrades for White Collar, SIG, ATTF, SWAT, and PIO - \$256,000;
 3. Furniture and fixture upgrades for Homeland Security and Central Regional Command detectives to relocate into available space located at the new 911 Center - \$100,000;

4. Install a roof over the Shoot House at the Academy to prevent further water and sun damage - \$56,000;
5. Firing range upgrade at the Academy to a state-of-the-art target system - \$85,000;
- e. Equipment and operations improvements, including
 1. Crime Scene laser upgrade to a newer generation laser system. The TracER Portable Forensic Laser System is a state-of-the-art crime scene processing tool that detects trace evidence that has not been obtainable to date by our current system - \$45,000;
 2. Division discretionary funding available to each Division Commander to improve operations by purchasing necessary equipment as required to address fluid crime trends throughout the Fiscal Year - \$160,000
 3. 100 new tasers to equip all officers with a taser, including new FY 2007 Academy graduates - \$100,000;
 4. Aviation fuel for helicopter operations - \$38,000;
 5. Maintenance supplies and parts for helicopter operations - \$30,000;
 6. Undercover operations supplies and materials, to include informant funding - \$40,000;
 7. Training and associated travel - \$200,000, and;
 8. Funding to clear vehicle liens for confiscated vehicles - \$20,000
- f. Grant application grant cash matches projected to total \$203,180 in FY 2007.

If you have any questions, please contact me at 564-7381.
