---

The City Plan Commission (CPC), on October 9, 2008, voted **5-0** to recommend **APPROVAL** of rezoning subject property from C-1/sc (Commercial/special contract) to R-4 (Residential).

The CPC found that the rezoning is in conformance with The Plan for El Paso and the proposed use is in conformance with the Year 2025 Projected General Land Use Map. The CPC also determined that the rezoning protects the best interest, health, safety and welfare of the public in general; that the proposed use is compatible with adjacent land uses; and the rezoning will have no effect on the natural environment, social economic conditions, and property values in the vicinity and the city as a whole.

There were five letters in opposition to the rezoning request. Letters were received after CPC hearing.

Dear Mr. Rubio

I am writing this letter in concern to a proposal zoning change on some vacant lots at the corner of George Dieter and Ardelle Ave. I inquired about the proposed zoning change from commercial zoning to R4. I am specifically referring to Zoning Case: ZON08-00067. I am totally opposed to this change as this entire block of homes west of Pendleton Ave. are bigger and nicer homes, as are most homes in the Kimberly Heights Subdivision.

Specifically, most completed homes on this street and in this subdivision are valued over \$200,000.00 according to El Paso Central Appraisal district website. My concern is that the proposed duplexes that are to be built by J and L Unique Homes will de-value my property values. I am opposed to this zoning change. If you should have any questions, please feel free to contact me, at (915)309-9022.

Thank you, for your attention to this very important matter.

Sincerely,

  
Mario Jacquez

Dear Mr. Rubio

In Reference to the Proposed Zoning Change on some VACANT lots on George Dieter and Ardelle Ave: Zoning Case ZON08-00067. I AM GREATLY OPPOSED AS I HAVE JUST HAD A HOUSE BUILT ON ARDELLE AND I FEAR THAT THE PROPOSED DUPLEXES THAT ARE TO BE BUILT BY J&L UNIQUE HOMES WILL DE-VALUE MY HOME. ALL THE HOMES IN THIS AREA ARE ALL WELL OVER \$200,000 AND, WITH THE ECONOMY THE WAY IT IS, I FEEL WE DO NOT NEED ANOTHER OBSTACLE TO FURTHER DEVALUE OUR PROPERTIES. WE ARE OPPOSED TO THE ZONING CHANGE. THANK YOU FOR YOUR ATTENTION ON THIS MATTER.

Dear Mr. Rubio,

I am writing concerning a proposed zoning change on some vacant lots at the corner of George Dieter and Ardelle Avenue. I understand there is a proposed zoning change from commercial zoning to R4. Specifically, concerning zoning case # ZON08-00067, I have been informed that there is a proposal to build duplex or multi-family housing on the vacant lots between Ardelle Ave. and Edgemere Blvd. We are adamantly opposed to approval of that proposal. The entire block of homes on Ardelle west of Pendleton and east of George Dieter are bigger, nicer homes, as are most homes in the Kimberly Heights Subdivision. Most completed homes on this street and in this subdivision are valued over \$200,000. We are concerned that the proposed duplexes to be built by J and L Unique Homes (or any duplexes/ quadplexes to be built at this site) will de-value our property values.

We are equally opposed to allowing approval of any commercial businesses at the site. We do not want businesses or duplexes directly across the street from the homes on Ardelle Avenue, as these structures will not only de-value our home, but will also have an adverse effect on our quality of life and quiet enjoyment of the neighborhood.

We strongly recommend that the zoning for the lots in question be changed to allow for their most suitable use, which would be for single family homes or open space. You may call us at 915 759-9355 should you need to discuss this further.  
Thanks you for your attention to this important matter.

Sincerely,

Vennis T. and Donna S. Manson
