

**CITY OF EL PASO, TEXAS  
AGENDA ITEM  
DEPARTMENT HEAD'S SUMMARY FORM**

**DEPARTMENT:** Engineering and Construction Management  
**AGENDA DATE:** December 10, 2013  
**CONTACT PERSON/PHONE:** Irene D. Ramirez, P.E., Interim City Engineer, 541-4428  
**DISTRICT(S) AFFECTED:** 7

**SUBJECT:**

Discussion and action to award Solicitation No. 2014-065 for Wells Rd. Paving and Drainage Improvements to Martinez Bros. Contractors, LLC. for an estimated total amount of \$668,750.00.

<b>Department:</b>	Engineering & Construction Management
<b>Award to:</b>	Martinez Bros. Contractors, LLC. El Paso, TX
<b>Base Bid:</b>	\$668,750.00
<b>Total Award:</b>	\$668,750.00
<b>Time for Completion:</b>	270 Consecutive Calendar Days
<b>Accounts:</b>	<b>580270 - 190 - 4970 - 38230 - PCP13WELLSRD</b>
<b>Funding Source:</b>	EPWU
<b>District:</b>	7

It is requested that the City Manager be authorized to establish the funding sources and make any necessary budget transfers and execute any and all documents necessary for execution of this award.

Work under this unit price contract is only an estimated value and will be ordered, performed, invoiced, and paid by measured quantity. The actual cost of this contract may be higher or lower than the total estimated value and will be the sum total of unit prices at the end of the contract term.

As a part of this award, upon the review of the City Attorney, the City Engineer may without further authorization from City Council approve contract changes which are necessary for proper execution of the work and carrying out the intent of the project, which are in accordance with applicable law, do not make changes to the prices and are within the appropriate budget.

This is a low bid, unit price contract. The Engineering & Construction Management Department recommends award as indicated to the lowest responsive and responsible bidder.

**BACKGROUND / DISCUSSION:**

The project is intended to reconstruct Wells Road from Pendale Rd. to Niles St. due to recent utility upgrades. When completed the project will add a new asphalt roadway structure and maintain sidewalk connectivity by adding sidewalk to the northern portion of the roadway, from New Haven Dr. to Pendale Rd., which currently has no existing sidewalk. Other upgrades include curb and gutter, fill sidewalk gaps, ADA compliant ramps, and header curb. Landscaping (xeriscape) within the available parkway will be done with EPDOT forces. Demolition work will be limited to asphalt pavement and non-ADA compliant curb ramps only, existing sidewalk and curb and gutter were deemed in good condition and will remain as is.

**SELECTION SUMMARY:**

The solicitation was advertised on 11/6/13 and 11/12/13. A total of 23 interested bidders picked up a bid package. The bid was opened on 11/21/13 and 6 bids were received.

**PRIOR COUNCIL ACTION:**

# WELLS RD. PAVING AND DRAINAGE IMPROVEMENTS

SOLICITATION No. 2014-065

## Scope of Work

### BASE BID I

The WELLS ROAD PAVING & DRAINAGE IMPROVEMENTS consists of the removal of approximately 18,200 S.Y. of existing asphalt pavement with the replacement of approximately 13,350 S.Y. of asphalt pavement. Additionally included is 840 S.Y. of 2" milling and resurfacing activities. New pavement markings and signage will be installed. Pedestrian facilities to be installed with this project are new ADA accessible curb ramps and 1,400 L.F. of new 5' wide sidewalk. Relocation of approximately 700 L.F. of existing fence currently encroaching within the City right-of-way will be relocated to its proper location outside of the right-of-way.

The project limits extend from the intersection with Pendale Rd to immediately west of the intersection with Niles Rd. and is adjacent to the Union Pacific Railroad tracks. El Paso Electric will be performing relocation of existing power poles in the area. The City of El Paso will provide coordination with El Paso Electric and other franchise utilities.

The description of this scope of work, as shown above, is only a general overview of this project. Contractor shall refer to the Construction Drawings and Contract Specifications for further information.

*Prior to commencement of any work, the Contractor shall submit and obtain approval from City of El Paso, Engineering & Construction Management Department, for the Sequence of Construction, Schedule of Work, and Haul/Waste Route to an approved disposal site. Traffic Control Plan must be submitted and approved, if applicable. Contractor shall provide written approved documentation from the owner or operator of the waste site.*

*The description of this scope of work as shown above is only a general overview of this project. Contractor shall refer to the project plans and specifications for further information.*

### END SCOPE OF WORK

*Dedicated to Outstanding Customer Service for a Better Community*

**SERVICE SOLUTIONS SUCCESS**

November 25, 2013

How likely are you to recommend the contractor to someone else?	3	
COMMENTS:		
Workmanship - there were asphalt cores that were less than required specifications. Contractor milled entire project area, caused many issues with residents. Timely manner - Over a year in additional time for change orders, many a result of contractor delay. Were issued in good faith to complete the project.

Project 3 Comments The project was completed in accordance with the contract documents. The project amount was \$975,000.00 and was completed on August 30, 2013.

# PROPOSAL

TO THE HONORABLE MAYOR AND CITY COUNCIL  
CITY OF EL PASO  
EL PASO, TEXAS

The undersigned having familiarized themselves with the local conditions affecting the cost of work and with the Contract documents consisting of Invitation to Bid, Instructions to Bidders, General Conditions, the Contractor's Proposal, Special Bid Conditions, Applicable Wage Rates, the Contract Form, plans, specifications, drawings, and addenda on file in the Engineering & Construction Management Department of the City of El Paso, hereby propose to perform everything required to be performed and to provide, furnish and install all the labor, materials, necessary tools, expendable equipment, and all utility and transportation services, and to complete in a workmanlike manner all the work required for the

## WELLS RD. PAVING AND DRAINAGE IMPROVEMENTS

Solicitation No. 2014-065

within the specified limits and in accordance with the plans, including **Addenda numbers** 1, AT THE FOLLOWING UNIT PRICES:

**ONLY ONE BIDDER MAY BE AWARDED THIS CONTRACT PURSUANT TO THIS BID.**

**Note:** For this solicitation, the lowest responsible bid will be determined in the following manner:

The lowest responsible bid will be determined based on the Total Sum of Base Bid I.

**NOTE:** The quantities shown in the unit price schedule are ESTIMATES ONLY. They are shown here only for the purpose of comparing bids as an expected total expenditure. The City, at its sole discretion, will direct exactly how many actual units will be placed, and will pay for only those units that are ordered and accepted. No payments will be made regarding the estimated quantities, they are estimates only.

Estimates are minimums, but not guaranteed minimums, and the contract cost can increase so long as the unit costs remain the same and the increased funds are appropriated in the budget.

Line item entries shall prevail over sum total entries. When discrepancies exist between unit prices and corresponding extended prices, unit prices shall prevail.

**EACH PROPOSAL MUST BE SUBMITTED ON THE PRESCRIBED FORM AND all blank spaces on the proposal form for proposal prices must be filled in, in ink or typewritten. FAILURE TO FILL IN ALL BLANK SPACES SHALL CAUSE THE BID PROPOSAL TO BE DEEMED NOT RESPONSIVE AND BID PROPOSAL WILL NOT BE CONSIDERED IN DETERMINING THE LOWEST RESPONSIBLE BIDDER.**
