UNEXPIRED TERM:

My name is Norma Seelig. I am a life long resident of El Paso. I graduated from UTEP in 1981 with a BA in Liberal Arts. I have taught at various institutions most of my life, however the majority of my teaching career was spent at El Paso Community College. I taught Classical Ballet for twenty six years in both Credit and Continuing Education. I currently work as an office manager for a plastic and reconstructive surgical practice. I am a member of the Northeast Civic Association. I served on the EPISD Strategic Planning Committee from 2006 to 2007. Currently, I am serving as secretary to our neighborhood association. The association has not been officially recognized, but will be called the Mountain View Neighborhood Association. In my spare time, I work as a volunteer with Pet Guardian Angel, the largest, non profit local animal rescue group.

I am sorry that I do not have a CV available for Mr. Holguin, but I have not had a request in over thirty years. I would need some time to compile one at this point. If you need further information, please do not hesitate to call me. I can be reached at 541-8825 (work)

Regards,  
Norma Seelig

Writing for the Supreme Court in Ex Parte Milligan, [71 U.S. 2 (4 Wall.) 1866] Mr. Justice Davis cited the Framers when he said, "Those great and good men foresaw that troublous times would arise when rulers and people would become restive under restraint, and seek by sharp and decisive measures to accomplish ends deemed just and proper, and that the principles of constitutional liberty would be in peril unless established by irrepalable law. The history of the world had taught them that what was done in the past might be attempted in the future.
