Memorandum

TO: Carol Brey-Casiano  
FROM: John Sandstrom  
DATE: November 30, 2004  
RE: Periodical Bid 2005-036

I recommend accepting the bid from EBSCO Information Services even though it is higher than the bid from WT COX.

Title Availability

EBSCO can provide 520 of our requested titles vs. only 504 being provided by COX. When the cost of subscribing to those titles through another vendor or directly is factored in, the EBSCO bid is actually the better price.

Customer Service

EBSCO has an easy to use claiming service that is much easier to use than the COX proprietary system. Also, historically we had problems with the COX claiming service when we last used them as a vendor. With no indication that COX has addressed the issues we had, it is my belief that EBSCO provides better service.

As the Delta Magazine Group could only provide access to 43.5% of our requested titles, I did not evaluate them any further.

Included with the bid packet is a comparison of EBSCO vs. COX pricing by title. If you have any questions, please let me know.
