Unfinished business

Norma spoke on the Volunteer Coordinator Training and asked council to please arrive by 8:00 a.m. at the Wyndham Hotel to assist with registration. Norma encouraged council to invite people to attend the training since the goal of the program is to have at least 150 in attendance. She thanked both Mrs. Newton and Mrs. Ordonez for the gift cards that will be used as door prizes at the training.

New business

Norma informed council that the next RSVP event is the Older El Pasoans Hall of Fame scheduled for May 29, 2014. The nomination form will be printed on the Southwest Senior paper and the El Paso Inc. Nominations will be accepted from April 14-May 5, open to the first 100 applications. This year the review committee will be made up of Community Development staff and they will review and select the winners.

Norma shared with council that she would be attending the Directors Conference in May. Conference will be held in San Antonio and it will include both state and national topics. She should also learn more about the next round of competitive grants and changes if any, also timeline for deadlines to submit grant.

Suggestions for the good of the council

Mrs. Ordonez shared with staff and council on what she believed RSVP could also stand for:

R-Resourceful
S-Supportive
V-Versatile
P-Productive

Mrs. Hernandez announced that on March 18th the Assistance League Thrift Shop would be having a Sale on their Spring Merchandise.
