Announcements/comments

Recognized everyone on council who was celebrating a birthday in April.

Unfinished business

Mr. Wickline spoke on the Pinning Ceremony and how nice the event had turned out. He mentioned Rep. Byrd being present at the ceremony and passing out certificates to the volunteers. Mrs. Caviness also agreed it was a nice ceremony and was surprised by the amount of people that were there.

Norma reminded council of the upcoming Hall of Fame ceremony on May 12, at the Wyndham Hotel. She asked council to please arrive between 8:15 or 8:30; some of the duties for council will be collecting tickets at the door and welcoming everyone. Norma also explained that this year instead of everyone having to line up for the food it will be a sit down breakfast and waiters will serve.

Lori encouraged council to still nominate someone for the Hall of Fame and also informed them that the application was available on-line for their convenience. Mrs. Newton shared with staff and council that last year she had nominated Allene Boyle and she was selected as one of the winners last year, she also submitted her name for the hospitals Humanitarian award. Lori encouraged council when submitting an application for the Hall of Fame to add specifics and make it more personalized.

New business

Norma informed council that beginning May 3rd City Hall will be opened Monday-Thursday from 7am to 6pm through September 30th. The City has found this schedule to be very economical from last summer and has decided to again implement it this summer and to also expand it for a longer period.

Suggestions for the good of the council

Mrs. Ordonez had a suggestion that from time to time have a council meeting at one of the RSVP stations so we can see what that station is all about.

Mrs. Clarke encouraged everyone to contact their City Representative's and have them address the issue of shelter for people waiting for the bus.

Adjournment

Meeting was adjourned at 10:40 a.m.
