**Announcements/comments**

Mrs. Chavez Rodriguez mentioned the article that was in the newspaper on the Calling All Seniors Program.

**Unfinished business**

Norma informed council that donations and door prizes were still needed, she wanted to thank everyone that had already turned in their door prizes and ads. She also reminded council that we only had one more month to collect everything.

Mrs. Ordonez asked about media coverage for the banquet. Norma explained that she would have to go through the PIO for the City. Norma explained that this year there would be no Mariachis at the beginning but hopefully if jazz band can negotiate a good prize will have jazz music during lunch. City council and Mayor will be sent invitations and hopefully will attend.

Mrs. Ordonez inquired about appointees for district 6 and 8. Mrs. Perez asked about individuals listed on last month's minutes. Eva explained that both ladies, Palafox and Najera are not in good health and didn't work out.

**New business**

Eva reported on the Extreme Weather Taskforce, different agencies working together to help homebound seniors. Taskforce reported 2 deaths caused by extreme weather. First death was that of a homeless individual and second death was of a lady that did not have her air conditioner set up. Eva also mentioned that the taskforce is trying to get the word out about the 211 number, their in charge of the distribution of the fans. Mrs. Ordonez asked if Eva had any flyers available to distribute at the senior centers. Eva encouraged anyone wanting flyers on 211 to pick them up at the call center.

**Suggestions for the good of the council**

Mrs. Ordonez shared with council that on July 23<sup>rd</sup> is open house at all the senior centers, great time to go out and visit a senior center if you never been to one and see what activities they provide. Mrs. Perez informed council that the Golden Moments was going through a transition and not sure if it will be discontinued or turned into a flyer. Lori explained that RSVP advertises volunteer opportunities through Golden Moments and is waiting to see what will happen.
