Announcements/comments

Norma welcomed back staff member Lori Rodriguez.

Unfinished business

Norma reminded council of upcoming deadlines for banquet ads and door prizes. She also informed council that the RSVP staff would be attending a one day workshop in Lewisville, Texas to obtain more information on the re-competition grant that is due September 10th. The Fire Department has shown interest in competing against us for the grant, notification for the grant was sent out to many local organizations.

At this year's banquet we will try and make it a bit more elegant with the rentals of seat covers and black bows. Mrs. Mooy asked if asking for an ad from Hyundai would be acceptable. Norma felt that she rather have that separation and would not want to give anyone any reason to complain. Mrs. Garcia suggested having an honor guard for the presentation of the pledge and she volunteered to coordinate it.

Norma mentioned receiving a call from the Muscular Dystrophy Association seeking volunteers for an event on August 14 at Laundry's restaurant. Mrs. Ordonez suggested moving the advisory meeting to August 6th, to collect door prizes and ads before the deadline date. Norma proposed to keep August 13 open to work on the banquet mail out. Mr. Wickline volunteered to make arrangements for the use of a room at the First Baptist Church.
