Unfinished business

Norma circulated a rough copy of the banquet booklet to show advisory members the final layout. Mrs. Garcia asked about the guest speaker for the banquet. Norma explained that Senator Jose Rodriguez was unable to attend the banquet; instead the Mayors pro tem will say a few words.

Norma reminded council members that the next meeting would be September 11th at Hospice of El Paso and would be the last meeting before the banquet. She also mentioned if any one still had any door prizes we would be more than happy to pick them up.
