Unfinished business

Mrs. Hernandez shared a suggestion concerning the banquet. She felt that translating for the guest speaker loses the audience attention. She suggested having the speaker's speech available on the tables for those Spanish speakers to follow along on their own. Everyone agreed that was a good idea if council agrees to continue having a speaker at the banquet.

Norma shared with council that the gift giving tree would be going up next week. The kick off to the event would be held November 20th, at 9:00 a.m. The First Baptist church choir would be attending to sing some Christmas carols. A total of 125 tags will be on the tree to include children, elderly and veterans. Broadcast message would be going out to all City employees to encourage them to take a tag.

New business

December's advisory meeting will be held at the El Paso Club for the annual advisory Christmas luncheon. A brief council meeting will first take place at 11:00 a.m. and then we will begin eating about 11:30 a.m. Norma invited council to bring a complimentary guest with them.

Mrs. Hernandez shared with council that the Assistance League would be having a booth at Queen of Peace church on Saturday and Sunday.

Mrs. Garza read over the results of the evaluations and appraisals for the RSVP program. Mrs. Hernandez pointed out that the percentages were incorrect and were not adding up to 100%. Norma mentioned she would check the percentages and re-do the report.
