**Call to Order and Quorum Count**

Meeting called to order @ 10:05 a.m.

**Approval of minutes**

Minutes of prior meeting reviewed and approved.

**Announcements/comments**

Staff and council recognized everyone who was celebrating a birthday in May. Norma introduced Mr. Willie Padilla, Mrs. Eina Holder and Mrs. Magdalena Narro.

Guest speaker Ed Raul Gonzalez from the City of El Paso Weatherization Program introduced the new program that is currently accepting applications to weatherize homes. He informed council on qualification guidelines and application process.

**Unfinished business**

Norma reminded council of the Hall of Fame that was schedule the following day at the Wyndham Hotel; she extended the invitation to new members. She also informed council that the programs sponsors would be present at the event and they would have tables set up in the hall way for senior to obtain information.

**New business**

Norma brought up the idea of switching location and date for future council meetings. She suggested for advisory meetings to be held at City Hall, more convenient during banquet time as council members bring in items. She also mentioned that Irma's term on council would be expiring in July and wasn't sure we would be able to keep meeting at the Ronald McDonald House after July. Mrs. Rodriguez explained to council and staff that even after her term is up meetings can still be at the Ronald McDonald House. Norma asked council to vote on the issue and the majority voted to keep council meetings the same without any change.

Norma informed council that it was that time of year to start solicitation of door prizes and ads for the Banquet. She informed council that if copies were made of the ad contract to make sure to highlight deadlines and to please make

sure ads that were e-mailed be in Word or PDF form. Norma briefly explained to new members about the banquet ads and door prizes and how the money from the ads is used for the event itself.

Norma suggested to council to encourage their City Reps on attending RSVP events, the program has always had problems with getting them to attend and maybe coming from their constituents they would make more of an effort to attend. Mr. Norman mentioned letting City Reps know of upcoming events with plenty of time so they are more likely to put it on their schedule.

Norma informed council that she had just been told today that the RSVP program would be audited by the Senior Corp; dates for the audit would be shared at a later time.

**Suggestions for the good of the council**

Mr. Wickline mentioned that volunteers were still needed for the US Women's Bowling and at the Museum of History.

**Adjournment**

Meeting was adjourned at 11:17 a.m.
