Unfinished business

Mrs. Langenfeld expressed that she felt the Volunteer Coordinator Training went super and the speaker held everyone's attention to the very end. Lori commented to council that the evaluations that were received after the training were all very positive and were scored very high. Mrs. Langenfeld also mentioned that the transition from the training to lunch went smoothly.

Lori reminded council of the Hall of Fame that was scheduled for May 29th at the Wyndham Hotel. Council was informed that the nomination form was printed in the Southwest Senior and the What's Up issues but even with that the numbers of nomination forms being submitted were very low and the deadline was extended to May 12th from May 5th.

Sandra informed council that we had received a phone call from Norma that was in San Antonio at the Directors Conference. She had shared with us that the focus area for the new grant seemed to be targeted to Disaster Services. Stefania had a good idea and mentioned working with what the RSVP program already has in place like the Calling All Seniors Program. She recommended maybe providing disaster kits to the recipients of the Calling All Seniors program since they are homebound.

New business

Sandra addressed the upcoming planning of the banquet which will mark the 40th year anniversary of the RSVP program. Solicitation letters and advertising contracts will be distributed at the June council meeting.
