

Waste Containers

Title 9.04

Karl Rimkus,

Ordinance and Policy Coordinator
Environmental Services Department

Goal

- Contain all applicable requirements for solid waste containers (dumpsters) in the City Code in the most logical location (9.04, Solid Waste)

Food Establishments

- Food establishments regulated by the Health Department (Title 9.12) reference a State requirement (25 TAC 229.166) requiring waste carts and containers to be stored on non-absorbent material, such as asphalt or concrete

Residential and Apartment Districts

- Waste containers located in residential, apartment and special districts must be screened from view by fences or walls (Title 20.10.030.A.8.)
