ADDITION TO THE AGENDA

1. RESOLUTION:
1.1

RESOLUTION

WHEREAS, the City is the owner of a parcel of land located near Transmountain Road and Resler Drive, El Paso, Texas, more fully described in the attached agreement, that it currently desires to build a fire station on to service the

needs of the expanding Far West Side of El Paso; and

WHEREAS, the City may currently build on the existing site a two bay fire station, but lacks the space necessary to build a three bay fire station located on that site that will more fully address the needs of the area; and

WHEREAS, Tenet intends to build a one hundred eight (108) bed teaching hospital and medical office building to be located on the adjacent property to the City Parcel located at the intersection of Transmountain Road and Resler Drive, El Paso, Texas, that is more particularly described in the attached agreement; and

WHEREAS, the City and Tenet entered into a Chapter 380 Economic Development Program Agreement to help facilitate the development of the medical facilities located at the Hospital Site; and

WHEREAS, for access to the Hospital Site from Resler Drive Tenet intended to utilize the median cut located on Resler Drive that is across from the City Parcel, which is currently blocking access by Tenet to the median cut; and

WHEREAS, for safer and more efficient traffic flow and public safety for the use of the City Parcel to be able to control access for emergency vehicles the City believes a single median cut in Resler Drive to serve both the Hospital Site and the City Parcel is in the best interest of the City and the proposed use of the City Parcel as fire station/emergency services station; and

WHEREAS, it is in the City's and Tenet's best interest to have access to the median cut at this location both for access by the fire department to the fire station to be built on the City Parcel and for access by emergency vehicles to access the facilities on the Hospital Site; and

WHEREAS, the City believes it is in the best interest of the public to have direct access to and from Resler Drive to the Hospital Site to have access to the medical facilities to be constructed thereon;

WHEREAS, Tenet has requested that the City grant to Tenet an easement to use a portion of the City Parcel for public access to and from Resler Drive to the Hospital Parcel; and

WHEREAS, the size of the City Parcel will accommodate a two bay fire station with direct access to Resler Drive but the City desires additional land to build a three bay fire station with pull through bays for better ingress and egress from the fire station and in order to meet the growing needs of the Far West Side of El Paso; and

WHEREAS, the City and Tenet propose that Tenet should build and maintain a driveway between Resler Drive and the Hospital Site on the City Parcel, more fully described in the attached agreement, in order to facilitate the development of and access to the medical facilities and to provide access to the proposed fire station to be built by the City on the City Parcel; and

WHEREAS, in consideration for this Easement, Tenet shall convey to the City Tenet's fee interest in the surface estate of the property adjacent to the City Parcel that is more particularly described in the attached agreement, so that the City may build a three bay fire station with pull through bays; and

WHEREAS, the City is the owner of the City Parcel and has the legal right and authority to grant this Easement upon the terms and conditions hereinafter set

forth.

NOW, THEREFORE, BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF EL PASO:

That the City Manager is hereby authorized to sign the attached Easement Agreement between the City of El Paso and Tenet Hospitals Limited, a Texas Limited Partnership, which will allow access across City property from Resler Drive to the proposed hospital site at the intersection of Transmountain Road and Resler Drive.

Motion made by Representative Lilly, seconded by Representative Romero, and carried to **APPROVE** the Resolution.
